Course Description			
<p>The purpose of this elective course is to explore the problems of contemporary youth in the age of globalization and make students understand different issues relevant to youth and identity. This course also aims at providing knowledge with respect to young people’s own individual and collective needs. Special emphasis would be given to Sri Lankan youth who face many challenges owing to the rapid socio-economic changes what Sri Lanka has experienced in recent years.</p> <p>The aim of the course is to</p> <ul style="list-style-type: none"> • Explore the problems of youth in a changing world • Provide required knowledge so the young people understand different issues relevant to youth and identity. • Understand Sri Lankan youth in the context of contemporary socio-economic conditions
