

Aims and Scope

Samaja Viggraha is a biannual, peer-reviewed online journal published by the Department of Sociology, University of Colombo. The journal provides an interdisciplinary forum for the dissemination of scholarly research in Sociology, Anthropology, Psychology, and Social Work.

Our mission is to provide an academic platform for scholars, practitioners, and researchers to publish original research, theoretical advancements, methodological innovations, and practice-based insights that contribute to:

- the advancement of knowledge
- public policy formulation
- the enhancement of social welfare, and
- the promotion of human development and well-being.

We invite submissions of:

- Original research articles
- Review articles

Manuscripts may be submitted in English or Sinhala.
