Department of Demography
STUDY PROGRAMMES IN DEMOGRAPHY - 2021
(English Medium)

1. MPhil / PhD in Demography – 2021

The doctoral degree programme is aimed at meeting the academic and professional needs of those who are engaged in population and socio-economic planning, research and consultancy, higher levels of teaching and training, administration and management, and advocacy and policy making.

The initial registration is for the MPhil with the provision for upgrading to PhD studies on the basis of performance during the first-year of studies. This is a fulltime research degree and shall be awarded on the basis of thesis and an oral examination. The thesis will be prepared under the guidance of one or more supervisor/s appointed by the University.

In order to enhance capacity of carrying out research, the selected candidates shall be required to attend course work on Demography/Population and Social Research Methods scheduled for Saturdays during the first semester.

Admission requirements

- (i) First or Second Class (upper) Division in the Special Degree in Demography or related field from a recognized University
OR
- (ii) Master's Degree in Demography or in a related field from a recognized University
OR
- (iii) Any other postgraduate qualifications recognized by the University as equivalent to (ii) above.

A good knowledge of English and adequate computer literacy is essential. Working experience and research experience in the relevant fields are considered as additional qualifications.
