

Let's not allow
Covid19
to undermine
humanity.

We are in this
challenge together!

It has been a difficult and
challenging period for all of us.
But we, as a Faculty, have a
responsibility towards our
beloved students. This is our
attempt to fulfil that
responsibility.

We would like to know how you
are. If you or a member of your
family has contracted the
virus? Are you in despair?
Would you like to speak to us?

We are
Here
for You!

Please text or call any
of the lecturers
mentioned here.

To make it easy for us,
we would advise you
to contact lecturers
that are from your
department.

Those in the First Year,
Second Year and
Study Streams, please
contact the lecturers
from your First
Subject.

Those who wish to
speak in Tamil may
contact Mr. Faslan, Mr.
Krishanthan, Ms. Ruth
or Ms. Shanaz.
