### **About me**

I hold a Bachelor of Arts in Demography (Hons) with Second Class (Upper Division) from the University of Colombo, Sri Lanka. My academic journey from January 2020 to June 2024 focused on demographic theories, statistical analysis, and research methodologies. I am passionate about addressing demographic challenges and contributing to sustainable development. With strong dedication and motivation, I aim to leverage my expertise in demography to drive positive social and economic changes in the world.
