This document is an abstract template for the 8th Undergraduate Research Symposium on Humanities and Social Sciences. Based on the language used in the initial abstract, the revised abstract should be formatted in 'Unicode' / 'Times New Roman' with size 12 and line spacing 1.5. The presenting author's name (student) should be included with the relevant department. The presenting undergraduate should be the author. There is a maximum of 300-words for the body of the abstract. Abstracts that do not follow this format, specifically the word count limit or formatting of the authors' names and affiliations, will be returned to the student for rewriting. Also, please check the spelling and grammar.
