TABLE OF CONTENTS

INTRODUCTION

THE UNIVERSITY OF COLOMBO

The history of higher education in Sri Lanka is intricately intertwined with the University of Colombo's journey. The Ceylon Medical College, which later evolved into the present Faculty of Medicine, was established in 1870, marking its 150th anniversary in 2020. Subsequently, in 1921, the Ceylon University College was founded as a centre for higher studies in Arts and Sciences. The University College, affiliated to the University of London, was the only university-level higher educational institution in the country from 1921 to 1942. It was housed in College House, which is the central administrative building of the University today. In 1942, the University of Ceylon was established on the same premises, under the leadership of its inaugural Vice Chancellor, Sir Ivor Jennings. The University of Colombo attained autonomy in 1978, marking a significant milestone in its journey.

On 21 January 2021, the University of Colombo celebrated the centenary of teaching Social Sciences and Humanities. This is a legacy of higher education which inspires pride in undergraduates entering the University of Colombo. Over the ensuing decades, the university has witnessed substantial growth in terms of academic excellence, program offerings, student enrolment, and infrastructure.

Situated in the heart of the metropolitan centre, the University of Colombo enjoys the advantage of being amidst the cultural, economic, and socio-political activities of the nation. This strategic location provides students with unparalleled access to libraries, museums, research centres, professional associations, theatres, art galleries, and cinemas. These resources not only support academic pursuits but also serve as avenues for personal enrichment.

THE FACULTY OF ARTS

The Faculty of Arts is located between Reid Avenue and Prof. Stanley Wijesundara Mawatha. It is currently the largest Faculty in the University of Colombo in terms of student population. The Faculty has thirteen Departments, three Teaching Units and one Institute offering courses in Humanities and Social Sciences. Apart from undergraduate BA courses, all departments offer courses towards Certificates, Diplomas, Masters, and MPhil and PhD degrees.

The Faculty of Arts has responded in various ways to the challenges and problems of higher learning and employment. The introduction of the Course Unit System in 1998 was a major step towards offering students greater flexibility in terms of the possibility of selecting

from a variety of courses, as well as the duration of study and new methods of teaching, learning and evaluation. Currently, the three-year BA General Degree programme has been designed to elevate the status of academic study programmes and enhance the employability of graduates. Currently the undergraduate degree programmes are conducted in all three languages and plans are also underway to change the medium of instruction of all programmes to English in the near future. Some Departments have also introduced internship programmes for final year Honours Degree undergraduates with a view to enhancing their employability.

The Department of Information Technology (DIT) provides undergraduates with a working knowledge of a computer. Five Computer Laboratories under the Department of IT have enabled students to become computer literate. Computer application is a compulsory course unit in the first year for all students in the Faculty. From 2015 onwards, a three-year general degree in IT was also introduced for those who have not opted for an Honours Degree.

The Department of English Language Teaching (DELT) provides undergraduates with a working knowledge of English through its proficiency courses in English. There cannot be any dispute that a working knowledge of English offers students a distinct advantage to function with confidence in today's society. English proficiency courses are compulsory for all undergraduates in the Faculty. Students need to pass at least Level 2 of proficiency in English to obtain the Degree.

The Faculty is unique in accepting registration of a Special Intake for students with disabilities for each academic year. The Faculty is committed to inclusive education and strives to develop assistive technologies to support students with disability. The Faculty has established a Centre for Disability Research, Education, and Practice (CEDREP) and a Support Centre for Students with Disabilities (SCSD) to achieve this goal.

The Faculty has been awarded a World Bank grant titled Accelerating Higher Education Expansion and Development (AHEAD) to enhance students' English language skills, research skills, and employability. Furthermore, the grant is focused on developing accessibility to education for students with disabilities.

Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) of the Faculty was established formally in 2017 as per the requirements stipulated by the Quality Assurance and Accreditation Centre (QAAC) of the UGC. Accordingly, the IQAC functions under the purview of the Centre for Quality Assurance (CQA) of the University of Colombo.

At the Faculty of Arts University of Colombo, the faculty-level Quality Assurance mechanisms operate as an integral part of the broader framework established by the University of Colombo and guided by the Sri Lanka Qualification Framework (SLQF) of the University Grants Commission, Sri Lanka. Within this context, the IQAC plays a vital role in translating university wide quality assurance policies into discipline specific practices that align with the Faculty's vision of fostering critical thinking, academic excellence, and socially responsive scholarship.

The committee is responsible for continuously monitoring and enhancing the quality of teaching, learning, assessment, and curriculum development, while ensuring that academic programmes remain relevant, inclusive, and in line with national and global standards. It also facilitates regular programme reviews, supports staff development, and promotes a culture of reflective practice and accountability among academic departments. By working closely with the university's central quality assurance body (CQA), the IQAC ensures that institutional goals, such as advancing research, nurturing intellectual inquiry, and contributing to national development are effectively realized at the operational level, thereby embedding quality as a shared and ongoing commitment across the Faculty of Arts.

The IQAC is not a direct contact point for students. However, the Cell is responsible for maintaining the quality of the academic programmes according to the Sri Lanka Qualifications Framework

(SLQF) introduced by the UGC, students may approach the IQAC through the Dean of the Faculty with concerns regarding academic programmes offered by the Faculty. The first Director of the IQAC was Professor Iresha Lakshman and currently the cell is headed by Dr. Asitha De Silva.

Information and Communication Technology	ICT	**Faculty of Education**	CPE/CTP/PPE/ SPE/PBE

The faculty offers Foundation (FND) courses in addition to the courses associated with the main three subjects followed by First Year students.

From the academic year 2025/26, students will be permitted to change the course codes of FND courses to subject-specific codes (as presented in Table 1) at the end of the first semester of their Third Year of study. Students are given the flexibility to align their FND course selections with their academic and career interests. However, they are encouraged to select courses that complement the three main subjects opted for in the First Year. Students can find the specific FND courses offered by each department under the section 'Departments and Units of the Faculty of Arts'.

Course Units and Codes

Each CU has its own identification code (subject code + unit code). For example, the subject code ECN indicates courses offered in the

department of Economics (See Table 1). The first two digits of the code indicate the year and the semester in which the course unit is offered.

E.g. ECN 1101 refers to the course unit Elementary Microeconomics which is offered in the 1st semester of the first year, and ECN 1202 refers to Elementary Macroeconomics which is offered in the second semester of the first year.

Credit Weight for Course Units

Currently a credit is defined as fifty (50) notional hours as per the latest version of credit calculation provided by the Sri Lanka Qualification Framework (SLQF). Notional hours include teaching/contact hours, discussions, tutorials, practicals, preparation for and completion of examinations, field excursions and self-study engaged in by students. A majority of CUs offered in the faculty are weighted as three (03) credits. However, there may be course units offered by certain Departments/Units with different credit weights.

It is the student's responsibility to select courses that meet the total credit requirement of their degree. For example, a General Degree student must accumulate 90 credits over three years of study, while an Honours Degree student must accumulate 120 credits over four years.

Course Unit Selection

A course unit will be offered by a Department/Unit ONLY if a minimum of five students register for it. Table 2 explains how students should select the minimum required number of CUs for the first year in Arts.

Table 2:
Sources from which the CUs should be selected for the first year in Arts

	Subject I	*Subject II*	*Subject III*	*English FND*	*FND*	*Total*
For those who must take Foundation Course Units in English and IT (as determined by the placement tests)	**2**	**2**	**2**	**2**	**3**	**11**
For those who have been exempted from taking Foundation Course Units in English and IT (as determined by the placement tests)	**2**	**2**	**2**	**-**	**3**	**9**

First-year undergraduates in the Faculty of Arts are required to select course units (CUs) in accordance with the approved credit structure, which includes a combination of core subjects and Foundation (FND) course units. FND units are generally available to all students. However, certain departments require specific FND course units to be completed in the first year, particularly for students who intend to pursue a four-year Honours degree, or specialised degree pathways such as the Bachelor of Education, or wish to continue following a certain subject

for a General degree. Table 3 below summarises the compulsory FND course unit requirements by department for ease of reference. Students are strongly advised to consult the relevant departments to confirm current requirements, as these may be subject to change.

Table 3: Foundation (FND) Course Requirements by Departments

Department / Subject	Compulsory FND Course Unit(s)	Requirement Notes
Demography	**FND 1106 / FND 1206**	**Required for Honours pathway**
Economics	**FND 1106 / FND 1206**	**Required for Honours pathway**
Geography	**FND 1106 / FND 1206**	**Required for Honours pathway**
Education (B.Ed. Pathway)	**FND 1110 / FND 1210**	**Required for those planning B.Ed. from Year 2**
Other Departments	**No specific FND requirement**	**Students may select any approved FND**

Selection for Honours Degree programmes is based on students' performance at the first-year examinations.

Admission to the Bachelor of Education degree programme is based on students' performance in the first-year examinations and in FND 1110 or FND 1210. Further information in this regard is available on respective department information pages.

First Year in Arts

IT IS MANDATORY TO SELECT UNITS FOR THE ACADEMIC YEAR IN THE FOLLOWING MANNER:

Six (6) CUs – two (2) from each principal subject,

Two (2) English FND units -
It is mandatory for all first-year undergraduates, except for those exempted from the FNDE course units after sitting the placement test, to select the two Foundation Course Units (FNDE 1108 and FNDE 1209) in English offered by the Department of English Language Teaching.
Three (3) other FND units -
All students are expected to offer 3 other FND CUs in addition to the 2 FNDE CUs. It is recommended that FND course selections align with the student's chosen subjects.
Those who have been **exempted** from the FNDE CUs must select 3 FND CUs.
One (1) ICT FND unit –
It is mandatory for all students, except for those who are taking the ICT as a subject, to complete an ICT FND unit (FND1120 and FND 1221).
*Note: ICT FNDs are non- credit

Course Unit Selection for B.Ed. Programme

The total number of Course Units (CUs) for the B.Ed. programme is determined by the requirements and guidelines set by the Faculty of Education. Students enrolled in the B.Ed. programme are required to follow the regulations applicable to a three-year Arts degree up to Part II of the programme.

Students intending to enter the B.Ed. programme from the second year are advised to select, during their first year in Arts, at least two subjects that are taught in schools. At present, the subjects offered to first-year students in the Faculty of Arts that are also taught in schools include

Sinhala, English, Economics, Communication and Media Studies, History, Geography, Political Science, Buddhism, Islam, and Information and Communication Technology.

Selection for General and Honours Degree

Once you have decided on the desired study programme, you must be aware of the rules and regulations provided in the By-Laws of the Bachelor of Arts Degree Programme that govern the conduct of the CUs. One such important regulation is the minimum number of credits mandatory for a student to complete in each academic year.

Table 4: Minimum Credit Requirement (MCR)

Year of Study	*MCR*
1st Year in Arts	30
2nd Year in Arts	30
3rd Year in Arts	30
4th Year in Arts	30

The decision on how to distribute CUs between two semesters is entirely up to each student, depending on the timetable and the availability of course units.

The maximum number of CUs that a student may offer in a semester (current/repeat/incomplete in total) is **seven.**

General Degree

A student keen to pursue a three-year General Degree in Arts is required to accumulate 90 credits during the three years of study.

Table 5: Allocation of Credits for three-year General Degree in Arts

Year	Sub 1	Sub 2	Sub 3	Total Courses	Total Credits

Note:
ICT (FND 1121/1221) and English (ESL) proficiency courses will be credited and compulsory but not counted to the GPA.

FND 1110/1210 prerequisite for B.Ed. degree will also be credited, but not counted to the GPA

-With a three-year General Degree in Arts, all three subjects have equal weight. Starting from the first year, students will be required to complete a minimum of **30 credits in each subject.** A student opting for a General Degree may either continue all three main subjects studied in the first year throughout the programme, or continue with two of those subjects while keeping the third subject flexible. In the latter case, the student may select courses from different disciplines to complete the remaining 20 credits required for the third subject during the second and third years of study.

Honours Degree

The Faculty offers 11 FOUR-YEAR Honours Degree Programmes which are as follow:

FND: Foundation Units

Note: The number of course units to be taken each year is calculated on the assumption that each CU is either 3 or 4 credits.

***These course units need not necessarily be from the same subject as subjects 2 and 3 taken in the first year.**

Non-Credit CU(s)

Under the CU System, students can register for non-credit or audited CU(s). **The maximum number of non-credit CU(s) that can be selected is two per academic year.** Details of these non-credit CU(s) will appear in the student's result sheet and transcripts. However, they will not be taken into account when selecting for honours degrees or when calculating the Grade Point Average (GPA). When applying for the examination, students are required to clearly mark all non-credit CU(s).

Policy on Changing CUs and/or Subject Categories

Students may make changes to their original selection of CUs and/or subject categories within the **first two weeks of the first semester or in the second semester**. Information on these dates is provided in the calendar of dates. All requests for change of CUs should be submitted in writing via the student's official email address to the Coordinator/ IDC.

Students must not change the Course Units (CUs) and/or subjects for which they are registered without prior approval from the relevant course lecturer(s), the Head of the Department/ Unit offering the chosen CU, the Dean of the Faculty of Arts, and the IDC Coordinator.

Timetables

The lecture (course unit) timetable will be made available at the beginning of each academic year and should be considered final unless otherwise stated by the relevant Departments or Units.

In selecting CUs, students are advised to pay attention to the scheduling of classes and examinations to ensure that they do not select a combination of courses for which the timing of classes and examinations coincide.

EVALUATION POLICY

Continuous Assessments

Students will be evaluated at least once during the semester before the final examination/assessment. The end-of-semester examination is the final point of the whole process of evaluation assigned for CU(s) except for those courses which require internships/training/practicals. At each point of evaluation (which may be in the form of written tests, take-home assignments, oral presentations, etc.) students earn marks. The usual weightage of marks is distributed as follows: 40% for continuous assessment (with 5% - 10% for class participation), and 60% for the end-of-semester examination. However, as Departments have the flexibility to change this weightage, students are advised to consult their Departments for examination/evaluation guidelines.

If a student had not completed continuous assessments, he/she will not be permitted to sit for the end of semester assessment.

A student who completes the mid-semester continuous assessments but fails to take the semester-end examination due to some valid reason/s such as illness will have the status of absent (ab) and will be entitled to carry forward his/her mid-semester marks up to two years during which period he/she will have to complete the end-semester examination for the relevant course unit.

If a student is unable to complete the mid-semester assessments, he/she will have the status of Incomplete (IC) for the respective subject.

Final Examinations

A student must complete the mid-semester assessment and the final assessment for a particular course unit in order to be considered as having completed a CU. Students will be permitted to sit the mid-semester and end-of-semester examinations only if they have a valid university registration for the respective academic year and have registered for the relevant course units with the IDC.

The duration of the end-of-semester examination for each CU will be two hours unless informed otherwise by respective Departments.

Special provisions for Students with Disabilities at Examinations

Students with disabilities are eligible for extra time of twenty (20) minutes for each hour of the examination. To receive this extra time the student should produce a letter issued by the Centre for Disability Research, Education and Practice (CEDREP) certifying that their disability/severe illness will impede their writing speed at the examination. The student should submit this letter to the IDC at the beginning of the Academic Year which is then forwarded to the Faculty Board for approval. The decision of the Faculty Board will be informed in writing by the IDC to the student. If the nature of the disability is permanent the student would not need to renew their approval in each Academic Year.

Absence at Examinations

Students who, because of a genuine reason such as illness, are unable to sit the end-of-semester examination(s) should submit a valid document such as a Medical Certificate (MC) issued by the Chief Medical Officer (CMO)/University Medical Officer (UMO) of the University of Colombo or a valid Medical Certificate recommended by the CMO/UMO **within seven days of the missed examination, along with the completed form issued by the IDC.** Only MCs

recommended by the CMO/UMO will be accepted by the Faculty. The CU(s) will then be considered absent (ab). When the CU(s) is offered again, students can sit for the end-of-semester examination and complete the CU(s) at a future date without hindering their prospects to obtain a class. Therefore, the IDC urges all undergraduates to take utmost care in the matter of submitting MC(s), in order to minimize or avoid inconvenience.

The UMO will consider MCs issued only by a government Hospital/District Medical Officer. MCs issued by private medical practitioners will be considered **only in the case of medical leave for less than five (05) days.** In such a situation, students are required to forward MCs to CMO/UMO **with the form issued by the IDC within seven (07) days of the last date of recommended medical leave.** In addition, the CMO/UMO may request documents, such as receipt of payments for the MC from a Government Hospital, prescription(s) of the medicine taken, test reports if any, etc.

Students who are unable to sit for the final examination due to genuine reasons other than illness should submit their requests, with supporting documents, to the Faculty Board for approval through the IDC within fourteen (14) days from the date of the examination.

Index Numbers

The registration number assigned to a first-year student will also be his/her examination index number.

E.g. Index number A12170 and Reg. No. 2024/BA/12170

Policy of Make-Up Examinations

End-of-semester examinations/assessments (for first- and second-year candidates) are not repeated under any circumstances. If a student fails to sit the end-of-semester examination of a particular CU(s), he/she may sit for it in the next academic year, or in the following semester of the same academic year, but only if the CU(s) is being offered in that

semester. Mid-term exams, assignments, classroom tests, oral presentations, etc. in general are not repeated either. The dates of these tests are notified at the beginning of each semester by academic staff. It is therefore the responsibility of the student to sit for these tests and complete his/her assignments on time.

However, if a student is unable to complete a continuous assessment due to unavoidable circumstances, he/she can submit a written request for a make-up test to the lecturer(s). Requests should reach the lecturer(s), along with supporting documents, within **two weeks** of the original date of the continuous assessment or mid-semester exam. Students are advised, however, that the respective Departments will make the final decision on such requests. Departments that decide not to offer make-up tests will inform students of their decision at the beginning of the semester.

Registering for Final Examinations

The student can register for end-of-semester examinations via www.sis.arts.cmb.ac.lk. A copy of the registration will be emailed to the student's official email address. Students cannot apply for examinations in CUs other than those CUs for which they have registered.

Repeat/Incomplete Course Units

Students are required to inform the IDC about repeat and/or incomplete CUs at the time of handing in the examination application forms for the current year of study. For all repeat attempts, the required examination fees must be paid. Students should obtain the relevant information from the Examinations Department of the University of Colombo.

Students have the original attempt and two subsequent attempts to pass a CU.

Failed CU(s)

It is mandatory to complete all failed CU(s). A student can obtain his/her Degree only if he/she has passed all the required CUs.

When a failed CU(s) is successfully completed, the actual grade earned by the student at the repeat attempt will be shown in the detailed results sheets, transcripts, etc. with the special symbol 'RC'. However, when computing the Grade Point Average (GPA), the grade point value assigned to repeat CU(s) will be 2.00 only.

Under the CU system, students who read for a three-year Degree have up to six consecutive years from the first year to complete the Degree without penalty. Students reading for a four-year Honours Degree have a maximum period of eight consecutive years from the first year to complete their programme of study.

Students need to obtain prior permission from the Faculty Board/Senate to prolong their period of study in this manner. Students who prolong the period of study without prior approval by the Faculty Board/Senate will be disqualified from obtaining a class.

Withdraw-Failing CU(s)

Students can substitute CU(s) in place of a repeat CU(s) under the "Withdraw-Failing" category. In such cases, students have to obtain written permission from the Head of the Department concerned and the Dean, Faculty of Arts to select a new CU in place of a failed unit. **It should be noted, however, that this new CU will be considered a repeat attempt and assigned a maximum grade of C (GPV 2.0).**

However, this provision applies only for failed optional CUs. If the failed CU is a core course, students then have to re-sit the same examination at a later time and pass it.

Criteria for Evaluation

In the evaluation process, the mark obtained by a student for each course is converted into a grade according to the scheme given in Table 8.

Table 8: Criteria for Evaluation

Range of Marks	Grade	GPV
80+	A+	4.00
75-79	A	4.00
70-74	A-	3.70
65-69	B+	3.30
60-64	B	3.00
55-59	B-	2.70
50-54	C+	2.30
45-49	C*	2.00* (Pass)
40-44	C-	1.70 (Fail)
35-39	D+	1.30 (Fail)
30-34	D	1.00(Fail)
00-29	E	0.00(Fail)

Notes: * - minimum performance for a pass.

Grade Point Average (GPA)

Classes and Passes will be awarded on the basis of the Grade Point Average (GPA). The Grade Point Average (GPA) is obtained by dividing the total number of grade points earned by the number of credit value. The total number of credits considered for computing the GPA will be 90 for Bachelor of Arts Degree (General) and 120 for Bachelor of Arts (Honours) as provided in the by-laws. The number of credits earned in the first year shall be counted for this purpose.

$$GPA = \frac{\sum_{i=1}^{N} (C_i G_i)}{\sum_{i=1}^{N} (C_i)}$$

Where:

GPA = Grade Point Average

$\sum_{i=1}^{N} (C_i G_i)$ = Total of credit values multiplied by the total of values for Grade earned

$\sum_{i=1}^{N} (C_i)$ = Total of credit value

The following table shows an example on how the GPA is calculated:

Table 9: Example of GPA calculation

Code	Title of the course unit	Grade earned	Value for Grade earned	Credit Value	Grade points earned
SOC1101	Fundamentals of Sociology	B	3.00	3	9.00
SOC1203	Introduction to Sri Lankan society	A+	4.00	3	12.00
SOC2116	Classical Sociological Theory	C	2.00	3	6.00
SOC2121	Social Institutions	A-	3.70	3	11.10
SOC2102	Principles of Psychology	B+	3.30	3	9.90
Total				15	48

$$\text{GPA} = \frac{\text{Total grade points earned}}{\text{Total number of credit value}} = \frac{48}{15} = 3.2$$

The above calculation illustrates how the Grade Point Average (GPA) is derived based on the total grade points earned and the total credit value. The resulting GPA is then used to determine the class of the degree awarded, according to the cut-off points specified below.

Table 10: Cut-off Points of GPA for calculation of Classes

1st Class	**= GPA ≥ 3.70**
2nd Upper	**= 3.30 ≤ GPA< 3.70**
2nd Lower	**= 3.00 ≤ GPA< 3.30**
Ordinary pass	**= 2.00 ≤ GPA< 3.00**

பாட அலகு முறைமை (Course Unit System-CUS)

அறிமுகம்

கொழும்புப் பல்கலைக்கழகத்தின் கலைப் பீடம், 1998 ஆம் ஆண்டு முதல் பாட அலகு முறைமையை (CUS) நடைமுறைப்படுத்தியுள்ளது. இது மாணவர்களுக்கு அவர்களின் கல்வித் திட்டங்களை வடிவமைப்பதில் நெகிழ்வுத்தன்மையையும், பாடத்திட்டங்கள் மற்றும் மதிப்பீடுகளில் அதிக வெளிப்படைத்தன்மையையும் வழங்குகிறது.

கல்வியாண்டு மற்றும் பருவங்கள்

கல்வியாண்டு இரண்டு பருவங்களாகப் பிரிக்கப்பட்டுள்ளது – பருவம் I மற்றும் பருவம் II. ஒரு பருவத்தின் கால அளவு, படிப்பு விடுப்பு மற்றும் புரீட்சை காலங்கள் உட்பட 12-15 வாரங்கள் வரை இருக்கும்.

பாட அலகுகளுக்கான பதிவுக் கொள்கை

கல்வியாண்டின் தொடக்கத்தில் இரு பருவங்களுக்குமான பாட அலகுகளை (CUs) தேர்ந்தெடுப்பது கட்டாயமாகும். அனைத்து முதலாம் ஆண்டு மாணவர்களும் தங்களுக்கு விருப்பமான பாடங்களுக்கு நிகழ்நிலையில் (www.sis.arts.cmb.ac.lk) பதிவு செய்ய வேண்டும். தேர்ந்தெடுக்கப்பட்ட பாடங்களின் நகல் மாணவரின் அதிகாரப்பூர்வ மின்னஞ்சல் முகவரிக்கு அனுப்பப்படும். பாட அலகுகளில் ஏதேனும் மாற்றங்கள் இருப்பின், அது குறித்து மாணவரின் அதிகாரப்பூர்வ மின்னஞ்சல் வழியாக, பருவத்தின் முதல் இரண்டு வாரங்களுக்குள் தகவல் மற்றும் ஆவணப்படுத்தல் (IDC) நிலையத்திற்கு எழுத்து வடிவில் தெரிவிக்கப்பட வேண்டும்.

ஒரு பருவ கல்வியாண்டிற்கு விடுப்பு எடுக்க விரும்பும் மாணவர்கள், விடுப்பிற்கான அனுமதியை முன்கூட்டியே பெற

வேண்டும். மேலும், ஒரு பருவம் அல்லது அதற்கும் மேலாக விடுப்பு எடுத்த மாணவர்கள், தங்களது கல்விப் பணிகளை மீண்டும் தொடங்க விரும்பும் பருவத்திற்குக் குறைந்தது ஒரு மாதத்திற்கு முன்பே மீண்டும் பதிவு செய்ய வேண்டும்.

பாடப் பிரிவுகள் மற்றும் குறியீடுகள்

கலைப் பீடத்தில், பாடப் பிரிவுகள் (CUs) பல பிரதான பாடப் பிரிவுகளின் கீழ் வருகின்றன. அந்த ஆண்டிற்கு வழங்கப்படும் பாடப் பிரிவுகள் இந்தப் பிரதானப் பிரதான பிரிவுகள் பீடத்தினால் ஆண்டுதோறும் அறிவிக்கப்படுகின்றன. குறிப்பிட்ட விபரங்களுக்கு மாணவர்கள் தகவல் மற்றும் ஆவணப்படுத்தல் நிலையத்தை (IDC) அணுகுமாறு அறிவுறுத்தப்படுகிறார்கள். பிரதான பாடப் பிரிவுகளின் தற்போதைய பட்டியலும் அதனுடன் தொடர்புடைய பாடக் குறியீடுகளும் அட்டவணை 1-இல் தரப்பட்டுள்ளன.

அட்டவணை 1: பாடப் பிரிவுகள் மற்றும் குறியீடுகள்

கலைப்பீடமானது முதலாம் வருட மாணவர்கள் கற்கும் மூன்று பிரதான பாடங்களுடன் தொடர்புடைய கற்கைகளுக்குக் மேலதிகமாக அடிப்படைக் (FND) கற்கை அலகுகளையும் வழங்குகிறது.

2025/26 கல்வியாண்டு முதல், மாணவர்கள் தங்கள் மூன்றாம் ஆண்டு கற்கையின் முதல் பருவத்தின் முடிவில், FND பாடங்களின் பாடக் குறியீடுகளை (அட்டவணை 1 இல் வழங்கப்பட்டுள்ளதன் அடிப்படையில்) பாடவாரியான குறியீடுகளாக மாற்றுவதற்கு அனுமதிக்கப்படுவார்கள். மாணவர்கள் தங்கள் கல்வி மற்றும் தொழில் விருப்பங்களுடன் தங்கள் FND பாடத் புரீட்சைகளைச் சீரமைக்க இந்நெகிழ்வுத்தன்மை வழங்கப்படுகிறது. இருப்பினும், முதல் ஆண்டில் தேர்ந்தெடுக்கப்பட்ட மூன்று பிரதான பாடங்களுக்குத் துணைபுரியும் பாடங்களைத் தேர்ந்தெடுக்க அவர்கள் ஊக்குவிக்கப்படுகிறார்கள். ஒவ்வொரு துறையும் வழங்கும் குறிப்பிட்ட FND பாடங்களை மாணவர்கள் “கலை பீடத்தின் துறைகள் மற்றும் அலகுகள்“ என்ற பிரிவின் கீழ் காணலாம்.

பாட அலகுகள் மற்றும் குறியீடுகள்

ஒவ்வொரு பாட அலகிற்கும் (CU) அதன் சொந்த அடையாளக் குறியீடு (பாடக் குறியீடு ஃ அலகு குறியீடு) உள்ளது. எடுத்துக்காட்டாக, ECN என்ற பாடக் குறியீடு பொருளியல்

துறையில் வழங்கப்படும் பாடங்களைக் குறிக்கிறது (அட்டவணை 1-ஐப் பார்க்கவும்). குறியீட்டின் முதல் இரண்டு இலக்கங்கள், பாட அலகு வழங்கப்படும் ஆண்டு மற்றும் பருவத்தைக் குறிக்கின்றன.

உதா: ECN 1101 என்பது முதலாம் ஆண்டின் முதல் பருவத்தில் வழங்கப்படும் தொடக்கநிலை நுண் பொருளியல் என்ற பாட அலகையும், ECN 1202 என்பது முதலாம் ஆண்டின் இரண்டாம் பருவத்தில் வழங்கப்படும் தொடக்க நிலை பேரியல் பொருளியல் என்ற பாட அலகையும் குறிக்கிறது.

பாட அலகுகளுக்கான தர மதிப்பீட்டு எடை

தற்போது, இலங்கை தகுதிச் சட்டகம் (SLQF) வழங்கிய வரவு கணக்கீட்டின் சமீபத்திய பதிப்பின்படி, ஒரு வரவு என்பது ஐம்பது (50) கற்பனையான மணிநேரங்களாக வரையறுக்கப்பட்டுள்ளது. கற்பனையான மணிநேரங்களில் கற்பித்தல்/தொடர்பு நேரங்கள், கலந்துரையாடல்கள், பயிற்சிகள், செய்முறைப் பயிற்சிகள், புரீட்சைகளுக்கான தயாரிப்பு மற்றும் நிறைவு, களப் பயணங்கள் மற்றும் மாணவர்களால் மேற்கொள்ளப்படும் சுய கற்கை ஆகியவை அடங்கும். பீடத்தில் வழங்கப்படும் பெரும்பாலான பாட அலகுகள் மூன்று (03) வரவுகளாக எடையிடப்பட்டுள்ளன. இருப்பினும், சில துறைகள்/பிரிவுகளால் வெவ்வேறு வரவு மதிப்புகளுடன் பாட அலகுகள் வழங்கப்படலாம்.

தங்கள் பட்டப்படிப்பிற்கான மொத்தப் பாடப்பிரிவுத் தேவையைப் பூர்த்திசெய்யும் பாட அலகுகளைத் தேர்ந்தெடுப்பது மாணவரின் பொறுப்பாகும். உதாரணமாக, ஒரு பொதுப் பட்டமுன் மாணவர் மூன்று வருடப் படிப்பில் 90 பாடப்பிரிவுகளையும், அதே வேளை ஒரு கௌரவ பட்டமுன் மாணவர் நான்கு வருடங்களில் 120 பாடப்பிரிவுகளையும் பெற வேண்டும்.

பாட அலகுத் தெரிவு

குறைந்தபட்சம் ஐந்து மாணவர்கள் பதிவு செய்தால் மட்டுமே ஒரு துறை/பிரிவு ஒரு பாட அலகை வழங்கும். கலைப் பிரிவின் முதலாம் ஆண்டிற்குத் தேவையான குறைந்தபட்ச பாட அலகுகளின் எண்ணிக்கையை மாணவர்கள் எவ்வாறு தேர்ந்தெடுக்க வேண்டும் என்பதை அட்டவணை 2 விளக்குகிறது.

கலைத்துறையின் முதலாம் ஆண்டு இளங்கலை மாணவர்கள், அங்கீகரிக்கப்பட்ட வரவுக் கட்டமைப்பின்படி (credit structure) பாட அலகுகளைத் (CUs) தேர்ந்தெடுக்க வேண்டும். இதில் பிரதானப் பாடங்கள் (core subjects) மற்றும் அடிப்படை (FND) பாட அலகுகளின் கலவை அடங்கும். சில FND பாட அலகுகள் பொதுவாக எல்லா மாணவர்களுக்கும் கிடைக்கப்பெற்றாலும், சில துறைகள் முதல் ஆண்டில் குறிப்பிட்ட FND பாட அலகுகளை முடிக்க வேண்டும் எனக் கோருகின்றன. குறிப்பாக, நான்கு ஆண்டு கௌரவ பட்டம் அல்லது இளங்கலை கல்வியியல் போன்ற கௌரவப் பட்டப் படிப்புகளைத் தொடர விரும்பும் மாணவர்களுக்கு இது பொருந்தும். மேலும், சில பாடங்களுக்கு அந்தந்தத் துறைக்குள் கட்டாயப் பாட அலகுகள் இருக்கலாம். எளிதாகப் புரிந்துகொள்வதற்காக, கீழே உள்ள அட்டவணை 3, துறை வாரியாக கட்டாய FND பாட அலகுத் தேவைகளைச் சுருக்கமாகக் காட்டுகிறது. தற்போதைய தேவைகளை உறுதிப்படுத்துவதற்கு மாணவர்கள் சம்பந்தப்பட்ட துறைகளை அணுகுமாறு தீர்க்கமாக அறிவுறுத்தப்படுகிறார்கள், ஏனெனில் இவை மாற்றத்திற்கு உட்பட்டவை.

B.Ed. திட்டத்திற்கான பாட அலகுத் புரீட்சை

B.Ed. திட்டத்திற்கான மொத்த பாட அலகுகளின் (CUs) எண்ணிக்கை, கல்வியியல் பீடத்தால் நிர்ணயிக்கப்பட்ட தேவைகள் மற்றும் வழிகாட்டுதல்களால் தீர்மானிக்கப்படுகிறது. B.Ed. திட்டத்தில் சேரும் மாணவர்கள், திட்டத்தின் பகுதி II வரை மூன்றாண்டு கலைப் பட்டத்திற்குப் பொருந்தக்கூடிய விதிமுறைகளைப் பின்பற்ற வேண்டும்.

இரண்டாம் ஆண்டில் B.Ed. படிப்பில் சேர விரும்பும் மாணவர்கள், கலைப் பிரிவில் தங்களின் முதலாம் ஆண்டில், பள்ளிகளில் கற்பிக்கப்படும் குறைந்தது இரண்டு பாடங்களைத் தேர்ந்தெடுக்குமாறு அறிவுறுத்தப்படுகிறார்கள். தற்போது, கலைப் பீடத்தில் முதலாம் ஆண்டு மாணவர்களுக்கு வழங்கப்படும் மற்றும் பள்ளிகளிலும் கற்பிக்கப்படும் பாடங்களில் சிங்களம், ஆங்கிலம், பொருளியல், தொடர்பியல் மற்றும் ஊடகவியல், வரலாறு, புவியியல், அரசியல் அறிவியல், பௌத்தம், இஸ்லாம் மற்றும் தகவல் மற்றும் தொடர்பியல் தொழில்நுட்பம் ஆகியவை அடங்கும்.

பொது மற்றும் கௌரவப் பட்டப் படிப்புகளுக்கான புரீட்சை

நீங்கள் விரும்பிய கற்கைத் திட்டத்தை புரீட்சை செய்தவுடன், பாட அலகுகளின் (CUs) நடத்தையை நிர்வகிக்கும் இளங்கலைப் பட்டப் படிப்பின் துணை விதிகளில் வழங்கப்பட்டுள்ள விதிகள் மற்றும் ஒழுங்குமுறைகளை நீங்கள் அறிந்திருக்க வேண்டும். அத்தகைய ஒரு முக்கியமான ஒழுங்கு முறையானது ஒவ்வொரு கல்வியாண்டிலும் ஒரு மாணவர் முடிக்க வேண்டிய குறைந்தபட்ச கட்டாய தரப் புள்ளிகளின் (credits) எண்ணிக்கையாகும்.

குறிப்பு: ஒவ்வொரு பாட அலகும் 3 அல்லது 4 கிரெடிட்கள் என்ற அனுமானத்தின் அடிப்படையில், ஒவ்வொரு ஆண்டும் எடுக்கப்பட வேண்டிய பாட அலகுகளின் எண்ணிக்கை கணக்கிடப்படுகிறது.

***இந்தப் பாட அலகுகள், முதல் ஆண்டில் எடுக்கப்பட்ட பாடங்கள் 2 மற்றும் 3-ஐப் போலவே ஒரே பாடத்திலிருக்க வேண்டிய அவசியமில்லை.**

தரப் புள்ளி இல்லாத பாட அலகுகள் (CU)

பாட அலகு அமைப்பின் கீழ், மாணவர்கள் தரப் புள்ளி இல்லாத அல்லது தணிக்கை செய்யப்பட்ட பாட அலகுகளுக்குப் பதிவு செய்யலாம். ஒரு கல்வியாண்டில் அதிகபட்சமாக இரண்டு தரப் புள்ளி இல்லாத பாட அலகுகளைத் தேர்ந்தெடுக்கலாம். இந்த தரப் புள்ளி இல்லாத பாட அலகுகளின் விபரங்கள் மாணவரின் புரீட்சை முடிவுத் தாள் மற்றும் மதிப்பெண் சான்றிதழ்களில் இடம்பெறும். இருப்பினும், கௌரவப் பட்டங்களுக்குத் புரீட்சை செய்யும்போதும் அல்லது தரப்புள்ளி சராசரியை (GPA) கணக்கிடும்போதும் அவை கணக்கிற்க்கொள்ளப்படாது. புரீட்சைக்கு விண்ணப்பிக்கும்போது, மாணவர்கள் அனைத்து தரப் புள்ளி இல்லாத பாட அலகுகளையும் தெளிவாகக் குறிப்பிட வேண்டும்.

பாட அலகுகள் மற்றும்/அல்லது பாட வகைகளை மாற்றுவதற்கான கொள்கை

மாணவர்கள் முதல் பருவத்தின் முதல் இரண்டு வாரங்களுக்குள் அல்லது இரண்டாம் பருவத்தில், தாங்கள் முதலில் தேர்ந்தெடுத்த பாட அலகுகள் மற்றும்/அல்லது பாட வகைகளில் மாற்றங்களைச் செய்யலாம். இந்தத் திகதிகள் குறித்த தகவல்கள் திகதிகள் அட்டவணையில் வழங்கப்பட்டுள்ளன. இந்தக் காலத்திற்குப் பிறகு மாணவர்கள் பாட அலகுகள் மற்றும்/அல்லது பாடங்களை மாற்ற முடியாது.

இரண்டாம் பருவத்தின் முதல் இரண்டு வாரங்களில் மாணவர்கள் தங்கள் பாடப் பிரிவுகளில் (CUs) மாற்றங்களைச் செய்யலாம். பாடப் பிரிவுகளை மாற்றுவதற்கான அனைத்து கோரிக்கைகளும் மாணவரின் அதிகாரப்பூர்வ மின்னஞ்சல் முகவரி வழியாக ஒருங்கிணைப்பாளர்/ IDC-க்கு எழுத்துப்பூர்வமாக சமர்ப்பிக்கப்பட வேண்டும்.

சம்பந்தப்பட்ட பாடப் பிரிவுகளைக் கற்பிக்கும் விரிவுரையாளர்(கள்), தாங்கள் விரும்பும் கௌரவப் பட்டப் படிப்பின் பாட அலகின் துறைத் தலைவர், கலைப் பீடத்தின் பீடாதிபதி மற்றும் IDC ஒருங்கிணைப்பாளர் ஆகியோரிடமிருந்து முன் அனுமதி பெறாமல், மாணவர்கள் தாங்கள் பதிவு செய்துள்ள பாடப் பிரிவுகள் மற்றும்/அல்லது பாடங்களை மாற்றக்கூடாது.

கால அட்டவணைகள்

விரிவுரை (பாடப் பிரிவு) கால அட்டவணை ஒவ்வொரு கல்வியாண்டின் தொடக்கத்திலும் வழங்கப்படும். சம்பந்தப்பட்ட துறைகள் அல்லது பிரிவுகளால் மாற்றியமைக்கப்படாவிட்டால், இதுவே இறுதியானதாகக் கருதப்பட வேண்டும்.

பாடப் பிரிவுகளைத் தேர்ந்தெடுக்கும்போது, வகுப்புகள் மற்றும் புரீட்சைகளின் நேரங்கள் ஒரே நேரத்தில் வரும் பாடங்களைத் தேர்ந்தெடுக்காமல் இருப்பதை உறுதிசெய்வதற்கு, மாணவர்கள் வகுப்புகள் மற்றும் புரீட்சைகளின் கால அட்டவணையில் கவனம் செலுத்துவதற்கு அறிவுறுத்தப்படுகிறார்கள்.

மதிப்பீட்டுக் கொள்கை

தொடர் மதிப்பீடுகள்

இறுதித் புரீட்சை/மதிப்பீட்டிற்கு முன்பு, பருவத்தின் போது மாணவர்கள் குறைந்தது ஒரு முறையாவது மதிப்பீடு செய்யப்படுவார்கள். உள்ளகப் தொழிற்பயிற்சி/பயிற்சி/செய்முறைப் பயிற்சிகள் தேவைப்படும் பாடங்களைத் தவிர, CU(களுக்கு) ஒதுக்கப்பட்ட முழு மதிப்பீட்டுச் செயல்முறையின் இறுதிப் புள்ளி பருவ இறுதித் புரீட்சைாகும். மதிப்பீட்டின் ஒவ்வொரு கட்டத்திலும் (இது எழுத்துத் புரீட்சைகள், வீட்டுப் பணிகள், வாய்மொழி முன்வைப்புகள் போன்ற வடிவங்களில் இருக்கலாம்) மாணவர்கள் மதிப்பெண்களைப் பெறுகிறார்கள். மதிப்பெண்களின் வழக்கமான உள்ளடக்கமானது பின்வருமாறு பிரிக்கப்பட்டுள்ளது: தொடர் மதிப்பீட்டிற்கு 40% (வகுப்புப் பங்கேற்பிற்கு 5% - 10% உடன்), மற்றும் பருவ இறுதித் புரீட்சைக்கு 60%. இருப்பினும், இந்த உள்ளடக்கங்களை மாற்றுவதற்கான நெகிழ்வுத்தன்மை துறைகளுக்கு இருப்பதால், புரீட்சை/மதிப்பீட்டு வழிகாட்டுதல்களுக்கு மாணவர்கள் தங்கள் துறைகளை அணுகுமாறு அறிவுறுத்தப்படுகிறார்கள்.

ஒரு மாணவர் பருவ (அரையாண்டு) இடைத்தேர்வை பூரணப்படுத்தவில்லை என்றால், அவர் பருவ இறுதித் தேர்வில் கலந்துகொள்ள அனுமதிக்கப்பட மாட்டார்.

ஒரு மாணவர் பருவ இடைத் தொடர் மதிப்பீடுகளை முடித்து, உடல்நலக்குறைவு போன்ற சில ஏற்றுக்கொள்ளக்கூடிய காரணங்களுக்காக பருவ இறுதித் தேர்வை எழுதத் தவறினால், அவர் "பூரணப்படுத்தப்படாதவர்" அல்லது "வராதவர்" (ab) என்ற தகுதியைப் பெறுவார். மேலும், அவர் தனது பருவ இடை மதிப்பெண்களை இரண்டு ஆண்டுகள் வரை முன்னோக்கி

எடுத்துச் செல்ல உரிமைப் பெறுவார். இந்தக் காலகட்டத்தில், அவர் குறித்த பாட அலகிற்கான பருவ இறுதித் தேர்வை முடிக்க வேண்டும்.

ஒரு மாணவர் இடைப்பருவ மதிப்பீடுகளை பூரணப்படுத்த முடியாவிட்டால், அவர் குறித்த பாடத்திற்கு "பூரணப்படுத்தப்படாதவர்" (Incomplete - IC) என்ற தகுதியைப் பெறுவார்.

இறுதித் புரீட்சைகள்

ஒரு மாணவர் ஒரு குறிப்பிட்ட பாட அலகினை (CU) நிறைவு செய்தவராகக் கருதப்படுவதற்கு, அவர் அந்தப் பாடத்திற்கான இடைப்பருவ மதிப்பீடு மற்றும் இறுதி மதிப்பீட்டை நிறைவு செய்தல் வேண்டும். மாணவர்கள் அந்தந்த கல்வியாண்டிற்கான செல்லுபடியாகும் பல்கலைக்கழகப் பதிவைக் கொண்டிருந்தால் மற்றும் குறித்த பாட அலகுகளுக்கு IDC-யில் பதிவு செய்திருந்தால் மட்டுமே, இடைப்பருவ மற்றும் பருவ இறுதித் புரீட்சைகளை எழுத அனுமதிக்கப்படுவார்கள்.

குறித்தத் துறைகளால் வேறுவிதமாக அறிவிக்கப்படாவிட்டால், ஒவ்வொரு பாட அலகிற்கும் (CU) பருவ இறுதித் புரீட்சைின் கால அளவு இரண்டு மணி நேரமாகக் காணப்படும்.

புரீட்சைகளில் மாற்றுத்திறனாளி மாணவர்களுக்கான கௌரவ ஏற்பாடுகள்

மாற்றுத்திறனாளி மாணவர்கள், புரீட்சைின் ஒவ்வொரு மணி நேரத்திற்கும் இருபது (20) நிமிடங்கள் கூடுதல் நேரம் பெறத் தகுதியுடையவர்கள். இந்தக் கூடுதல் நேரத்தைப் பெறுவதற்கு, மாணவர் தனது மாற்றுத்திறன்/தீவிரமான நோய் புரீட்சைின்போது எழுதும் வேகத்தைத் தடுக்கும் என்று சான்றளிக்கும், மாற்றுத்திறன் ஆராய்ச்சி, கல்வி மற்றும் பயிற்சி மையத்தால் (CEDREP) வழங்கப்பட்ட ஒரு கடிதத்தைச் சமர்ப்பிக்க வேண்டும். மாணவர் இந்தக் கடிதத்தை கல்வியாண்டின் தொடக்கத்தில் IDC யிடம் சமர்ப்பிக்க வேண்டும், அது பின்னர்

ஒப்புதலுக்காக பீட சபைக்கு அனுப்பப்படும். பீட சபையின் முடிவு, IDC யினால் குறித்த மாணவருக்கு எழுத்துப்பூர்வமாகத் தெரிவிக்கப்படும். மாற்றுத்திறனின் தன்மை நிரந்தரமானதாக இருந்தால், மாணவர் ஒவ்வொரு கல்வியாண்டிலும் ஒப்புதலைப் புதுப்பிக்கத் தேவையில்லை.

பரீட்சைகளுக்கு சமூகமளிக்காமை

நோய்வாய்ப்படுதல் போன்ற உண்மையான காரணத்தால், பருவ இறுதித் புரீட்சில்(களில்) பங்கேற்க முடியாத மாணவர்கள், புரீட்சை தவறிய நாளிலிருந்து ஏழு நாட்களுக்குள், கொழும்புப் பல்கலைக்கழகத்தின் பிரதம மருத்துவ அதிகாரி (CMO)/பல்கலைக்கழக மருத்துவ அதிகாரி (UMO) வழங்கிய மருத்துவச் சான்றிதழ் (MC) அல்லது CMO/UMO பரிந்துரைத்த செல்லுபடியாகும் மருத்துவச் சான்றிதழ் போன்ற ஒரு ஆவணத்தை, IDC வழங்கிய பூர்த்தி செய்யப்பட்ட படிவத்துடன் சமர்ப்பிக்க வேண்டும். CMO/UMO பரிந்துரைக்கப்பட்ட மருத்துவச் சான்றிதழ்கள் மட்டுமே பீடத்தால் ஏற்றுக்கொள்ளப்படும். அதன்பிறகு, அந்தத் புரீட்சை முடிவுகள் (CU(s)) முழுமையற்றவை (IC) அல்லது வராதவை (ab) எனக் கருதப்படும். புரீட்சை முடிவுகள் மீண்டும் வழங்கப்படும்போது, மாணவர்கள் பருவ இறுதித் புரீட்சில் கலந்துகொண்டு, எதிர்காலத்தில் வகுப்பொன்றினைப் (Class) பெறுவதற்கான தங்கள் வாய்ப்புகளுக்கு இடையூறு ஏற்படாமல் அந்தத் புரீட்சை முடிவுகளைப் பூர்த்தி செய்துகொள்ளலாம். எனவே, சிரமங்களைக் குறைக்கவும் தவிர்க்கவும், அனைத்து இளங்கலை மாணவர்களும் மருத்துவச் சான்றிதழ்களைச் சமர்ப்பிக்கும் விடயத்தில் மிகுந்த கவனம் செலுத்துமாறு IDC வலியுறுத்துகிறது.

அரசு மருத்துவமனை/மாவட்ட மருத்துவ அலுவலரால் வழங்கப்படும் மருத்துவச் சான்றிதழ்களை (MCs) மட்டுமே UMO பரிசீலனைக்கு எடுக்கும். தனியார் மருத்துவர்களால் வழங்கப்படும் மருத்துவச் சான்றிதழ்கள், ஐந்து (05) நாட்களுக்கும் குறைவான மருத்துவ விடுப்பின் போது மட்டுமே

பரிசீலிக்கப்படும். அத்தகைய சூழ்நிலையில், மாணவர்கள், பரிந்துரைக்கப்பட்ட மருத்துவ விடுப்பின் கடைசி திகதியிலிருந்து ஏழு (07) நாட்களுக்குள், IDC வழங்கிய படிவத்துடன் தங்கள் மருத்துவச் சான்றிதழ்களை CMO/UMO-க்கு அனுப்ப வேண்டும். கூடுதலாக, CMO/UMO, அரசு மருத்துவமனையிலிருந்து மருத்துவச் சான்றிதழுக்கான கட்டண ரசீது, எடுத்துக்கொண்ட மருந்துகளுக்கான மருந்துச்சீட்டு(கள்), ஏதேனும் பரிசோதனை அறிக்கைகள் போன்றவை அடங்கிய ஆவணங்களைக் கோரலாம்.

நோய்வாய்ப்படாத உண்மையான காரணங்களால் இறுதித் புரீட்சைில் கலந்துகொள்ள முடியாத மாணவர்கள், புரீட்சை திகதியிலிருந்து பதினான்கு (14) நாட்களுக்குள், தங்களது கோரிக்கைகளை துணை ஆவணங்களுடன், IDC மூலம் ஒப்புதலுக்காக பீடச் சபையிடம் சமர்ப்பிக்க வேண்டும்.

குறியீட்டு எண்கள்

முதலாம் ஆண்டு மாணவருக்கு ஒதுக்கப்பட்ட பதிவிலக்கம் அவரது புரீட்சை குறியீட்டு எண்ணாகவும் இருக்கும்.

உதாரணமாக குறியீட்டு எண் A12170 மற்றும் பதிவிலக்கம் 2024/BA/12170

மாற்றுத் புரீட்சைகள் கொள்கை

பருவ இறுதித் புரீட்சைகள்/மதிப்பீடுகள் (முதலாம் மற்றும் இரண்டாம் ஆண்டு மாணவர்களுக்கு) எந்தச் சூழ்நிலையிலும் மீண்டும் நடத்தப்படாது. ஒரு மாணவர் ஒரு குறிப்பிட்ட பாட அலகின் (பாட அலகுகளின்) பருவ இறுதித் தேர்வை எழுதத் தவறினால், அவர் அடுத்த கல்வியாண்டில் அல்லது அதே கல்வியாண்டின் அடுத்த பருவத்தில் அத்தேர்வை எழுதலாம், ஆனால் அந்தப் பாட அலகு (பாட அலகு) அந்தப் பருவத்தில் வழங்கப்பட்டால் மட்டுமே இது பொருந்தும். பருவ இடைத் புரீட்சைகள், மதிப்பீடுகள், வகுப்பறைத் புரீட்சைகள், வாய்மொழி முன்வைப்புக்கள் போன்றவை பொதுவாக மீண்டும்

நடத்தப்படாது. இந்தத் புரீட்சைகளின் திகதிகள் ஒவ்வொரு பருவத்தின் தொடக்கத்திலும் கல்விப் பணியாளர்களால் அறிவிக்கப்படும். எனவே, இந்தத் புரீட்சைகளை எழுதுவதும், தனது மதிப்பீடுகளை உரிய நேரத்தில் நிறைவு செய்வதும் மாணவரின் பொறுப்பாகும்.

இருப்பினும், தவிர்க்க முடியாத சூழ்நிலைகள் காரணமாக ஒரு மாணவரால் ஒரு ஒப்படைப்பை முடிக்க முடியாவிட்டால், அவர் விரிவுரையாளரிடம் (விரிவுரையாளர்களிடம்) மாற்றுத் புரீட்சைக்கான எழுத்துப்பூர்வ கோரிக்கையைச் சமர்ப்பிக்கலாம். ஒப்படைப்பு அல்லது இடைப்பருவத் புரீட்சின் அசல் தேதியிலிருந்து இரண்டு வாரங்களுக்குள், துணை ஆவணங்களுடன் கோரிக்கைகள் விரிவுரையாளர்(களை) சென்றடைய வேண்டும். இருப்பினும், அத்தகைய கோரிக்கைகள் மீதான இறுதி முடிவை அந்தந்தத் துறைகளே எடுக்கும் என்று மாணவர்களுக்கு அறிவுறுத்தப்படுகிறது. மாற்றுத் புரீட்சைகளை வழங்க வேண்டாம் என முடிவு செய்யும் துறைகள், பருவத்தின் தொடக்கத்தில் மாணவர்களுக்குத் தங்கள் முடிவைத் தெரிவிக்கும்.

CU அமைப்பின் கீழ், மாணவர்கள் தாங்கள் தவறவிட்ட மதிப்பீடுகளை எதிர்காலப் பருவங்களில் முடிக்கலாம். தங்களின் தொடர் மதிப்பீடுகளை வெற்றிகரமாக முடித்திருந்தும், ஒரு உண்மையான காரணத்திற்காக ஒரு குறிப்பிட்ட CU(களின்) பருவ இறுதித் தேர்வை முடிக்க முடியாத மாணவர்கள், சம்பந்தப்பட்ட துறையிடம், IDC ஒருங்கிணைப்பாளர் மூலம், கேள்விக்குட்பட்ட CU(களின்) அடுத்த பருவ இறுதித் புரீட்சில் அவர்கள் எழுதும் வரை, தொடர் மதிப்பீட்டில் பெற்ற மதிப்பெண்களை முன்னோக்கி எடுத்துச் செல்லுமாறு கோரலாம்.

இறுதிப் பரீட்சைகளுக்குப் பதிவு செய்தல்

மாணவர் www.sis.arts.cmb.ac.lk வழியாக அரையாண்டு இறுதித் புரீட்சைகளுக்குப் பதிவு செய்யலாம். பதிவின் நகல் மாணவரின் உத்தியோகபூர்வ மின்னஞ்சல் முகவரிக்கு அனுப்பப்படும். மாணவர்கள் தாங்கள் பதிவு செய்துள்ள பாட

அலகுகளைத் தவிர வேறு பாட அலகுகளில் புரீட்சைகளுக்கு விண்ணப்பிக்க முடியாது.

மீண்டும் கற்கும்/பூரணப்படுத்தப்படாத பாட அலகுகள்

நடப்பு கற்கை வருடத்திற்கான புரீட்சை விண்ணப்பப் படிவங்களைச் சமர்ப்பிக்கும் போது, மீண்டும் கற்கும் மற்றும்/அல்லது பூரணப்படுத்தப்படாத பாட அலகுகள் குறித்து மாணவர்கள் IDC-க்குத் தெரிவிக்க வேண்டும். மீண்டும் கற்கும் அனைத்து சந்தர்ப்பங்களுக்கும், தேவையான பரீட்சைக்

ஒரு CU தேர்வில் தேர்ச்சி பெறுவதற்கு, மாணவர்களுக்கு முதல் சந்தர்ப்பமும், அதனைத் தொடர்ந்து இரண்டு சந்தர்ப்பங்களும் வழங்கப்படும்.

கட்டணம் செலுத்தப்பட வேண்டும். மாணவர்கள் கொழும்புப் பல்கலைக்கழகத்தின் புரீட்சைகள் திணைக்களத்திலிருந்து இது குறித்த தகவல்களைப் பெற வேண்டும்

சித்தியடையாத பாட அலகு(கள்)

சித்தியடையாத அனைத்து பாட அலகு(களையும்) நிறைவு செய்வது கட்டாயமாகும். ஒரு மாணவர் தேவையான அனைத்து பாட அலகுகளிலும் தேர்ச்சி பெற்றால் மட்டுமே தனது பட்டத்தைப் பெற முடியும்.

சித்தியடையாத பாடப்பிரிவு(கள்) வெற்றிகரமாக பூர்த்தி செய்யப்படும்போது, மீண்டும் முயற்சிக்கும்போது மாணவர் பெறும் உண்மையான தரப்புள்ளிகள், விரிவான முடிவுப்புள்ளித் தாள்கள், மதிப்பெண் ஆவணங்கள், போன்றவற்றில் 'RC' என்ற சிறப்புக் குறியீட்டுடன் காட்டப்படும். இருப்பினும், தரப்புள்ளி சராசரியைக் (GPA) கணக்கிடும்போது, மீண்டும் பூர்த்தி செய்யப்படும் பாட அலகு(களுக்கு) ஒதுக்கப்படும் தரப்புள்ளி மதிப்பு 2.00 மட்டுமே ஆகும்.

பாட அலகு முறையின் கீழ், மூன்றாண்டுப் பட்டப்படிப்பைப் கற்கும் மாணவர்கள், முதல் ஆண்டிலிருந்து தொடர்ச்சியாக ஆறு ஆண்டுகள் வரை எந்தவிதத் தண்டனையுமின்றிப் பட்டப்படிப்பை புரணப்படுத்துவதற்கு காலம் உண்டு. நான்கு ஆண்டு கௌரவப பட்டம் கற்கும் மாணவர்கள், தங்களது படிப்புத் திட்டத்தை நிறைவு செய்வதற்கு முதல் ஆண்டிலிருந்து தொடர்ச்சியாக அதிகபட்சமாக எட்டு ஆண்டுகள் அவகாசம் பெறுவார்கள்.

மாணவர்கள் தங்களது படிப்புக் காலத்தை இவ்வாறு நீட்டிப்பதற்கு பீடச் சபை மற்றும் மூதவையின் முன் அனுமதி பெற வேண்டும். பீடச் சபை மற்றும் மூதவையின் முன் அனுமதியின்றி படிப்புக் காலத்தை நீட்சிக்கும் மாணவர்கள், வகுப்பில் சேர்வதற்கான தகுதியை இழப்பார்கள்.

சித்தியடையாத பாட அலகு(களை) மீளப் பெறல்

“சித்தியடையாத பாட அலகு(களை) மீளப் பெறல்” என்ற பிரிவின் கீழ், மாணவர்கள் மீண்டும் எழுதும் பாட அலகு(களுக்கு) பதிலாக புதிய பாட அலகு(களை) மாற்றாகப் பயன்படுத்தலாம். அத்தகைய சந்தர்ப்பங்களில், சித்தியடையாத பாட அலகுக்குப் பதிலாக ஒரு புதிய பாடப்பிரிவைத் தேர்ந்தெடுக்க, மாணவர்கள் சம்பந்தப்பட்ட துறைத் தலைவர் மற்றும் கலைப் பீடத்தின் பீடாதிபதியிடமிருந்து எழுத்துப்பூர்வ அனுமதி பெற வேண்டும். இருப்பினும், குறித்த புதிய பாட அலகு ஒரு மீளவும் எழுதப்பட்ட பாட அலகாகக் கருதப்பட்டு, அதிகபட்சமாக C (GPV 2.0) தரம் வழங்கப்படும் என்பது குறிப்பிடத்தக்கது.

இருப்பினும், இந்த விதிமுறையானது சித்தியடையாத விருப்பப் பாட அலகுகளுக்கு மட்டுமே பொருந்தும். சித்தியடையாத பாட அலகு ஒரு பிரதானப் பாடமாக இருந்தால், மாணவர்கள் அதே தேர்வை பின்னர் ஒரு நேரத்தில் மீண்டும் எழுதி தேர்ச்சிப் பெற வேண்டும்.

மதிப்பீட்டிற்கான அளவுகோல்கள்

மதிப்பீட்டுச் செயற்பாட்டில், ஒவ்வொரு பாடத்திற்கும் மாணவரொருவர் பெற்றுக்கொண்ட மதிப்பெண்ணானது, அட்டவணை 7 இல் கொடுக்கப்பட்டுள்ள திட்டத்தின்படி ஒரு தரமாக மாற்றப்படுகிறது.

அட்டவணை 8: மதிப்பீட்டிற்கான அளவுகோல்கள்

புள்ளிகளின் வகுப்பாயிடை	தரம்	GPV
80+	A+	4.00
75-79	A	4.00
70-74	A-	3.70
65-69	B+	3.30
60-64	B	3.00
55-59	B-	2.70
50-54	C+	2.30
45-49	C*	2.00* (சித்தி)
40-44	C-	1.70 (தோல்வி)
35-39	D+	1.30 (தோல்வி)
30-34	D	1.00 (தோல்வி)
00-29	E	0.00 (தோல்வி)

குறிப்புகள்: * - தேர்ச்சி பெறுவதற்கான குறைந்தபட்ச செயல்திறன்.

தரப்புள்ளி சராசரி (GPA)

தரப்புள்ளி சராசரியின் (GPA) அடிப்படையில் வகுப்புகளும் தேர்ச்சிகளும் வழங்கப்படும். பெறப்பட்ட மொத்த தர மதிப்புக்களை, தர மதிப்பெண்களின் எண்ணிக்கையால் வகுப்பதன் மூலம் தரப்புள்ளி சராசரி (GPA) பெறப்படுகிறது. சட்ட விதிகளில் வழங்கப்பட்டுள்ளபடி, GPA-ஐக் கணக்கிடுவதற்குக் கருதப்படும் மொத்த தர மதிப்பெண்களின் எண்ணிக்கை, இளங்கலை (பொது) பட்டத்திற்கு 90 ஆகவும், இளங்கலை (கௌரவ) பட்டத்திற்கு 120 ஆகவும் இருக்கும். இந்த நோக்கத்திற்காக, முதல் வருடத்தில் பெறப்பட்ட தர மதிப்பெண்களின் எண்ணிக்கை இணைத்துக்கொள்ளப்படும்.

$$GPA = \frac{\sum_{i=1}^{N} (C_i G_i)}{\sum_{i=1}^{N} (C_i)}$$

இதில்:

GPA = தரப்புள்ளி சராசரி

$\sum_{i=1}^{N} (C_i G_i)$ = தர மதிப்பெண்களின் கூட்டுத்தொகையை, பெற்ற தரத்திற்கான மதிப்பெண்களின் கூட்டுத்தொகையால் பெருக்கினால் கிடைப்பது

$\sum_{i=1}^{N} (C_i)$ = தர மதிப்பெண்களின் கூட்டுத்தொகை

GPA எவ்வாறு கணக்கிடப்படுகிறது என்பதற்கான ஒரு உதாரணத்தை பின்வரும் அட்டவணை காட்டுகிறது:

அட்டவணை 9: GPA கணிப்பதற்கான உதாரணம்

குறியீடு	பாட அலகின் தலைப்பு	பெற்ற தரம்	பெற்ற தரத்திற்கான மதிப்பெண்	தர மதிப்பு	பெற்ற தரப்புள்ளிகள்
SOC1101	சமூகவியலின் அடிப்படைகள்	B	3.00	3	9.00
SOC1203	இலங்கை சமூகத்திற்கு ஓர் அறிமுகம்	A+	4.00	3	12.00
SOC2116	தொல்சீர் சமூகவியல் கோட்பாடு	C	2.00	3	6.00
SOC2121	சமூக நிறுவனங்கள்	A-	3.70	3	11.10
SOC2102	உளவியல் தத்துவங்கள்	B+	3.30	3	9.90
மொத்தம்				15	48

பெறப்பட்ட மொத்த தரப்புள்ளிகள் மற்றும் மொத்த தர மதிப்பின் அடிப்படையில் தரப்புள்ளி சராசரி (GPA) எவ்வாறு கணக்கிடப்படுகிறது என்பதை மேற்கண்ட கணக்கீடு விளக்குகிறது. இதன் விளைவாகக் கிடைக்கும் GPA, கீழே குறிப்பிடப்பட்டுள்ள வெட்டுப்புள்ளிகளின்படி, வழங்கப்படும் பட்டத்தின் வகுப்பைத் தீர்மானிக்கப் பயன்படுத்தப்படுகிறது.

அட்டவணை 10: வகுப்புகளைக் கணக்கிடுவதற்கான GPA வெட்டுப்புள்ளிகள்

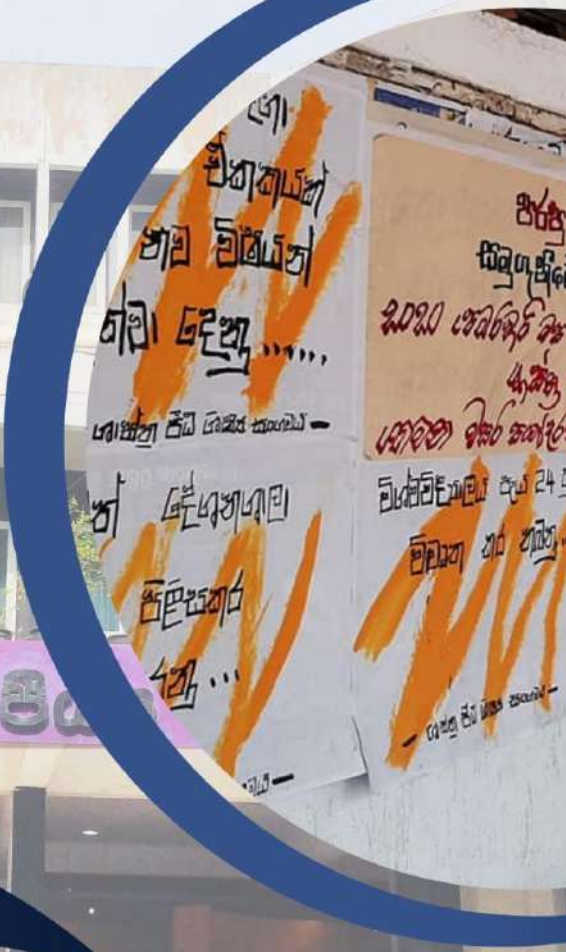

முதல் வகுப்பு = GPA ≥ 3.70

இரண்டாம் நிலை உயர் வகுப்பு = 3.30 ≤ GPA< 3.70

இரண்டாம் நிலை கீழ் வகுப்பு = 3.00 ≤GPA< 3.30

சாதாரண தேர்ச்சி = 2.00 ≤ GPA< 3.00

Regulations

These Regulations may be cited as the Examination Procedure, Offences and Punishment Regulations No. 1 of 1986.

Examination Procedure

1. Candidates are required to be at the Examination Hall at least 15 minutes before the commencement of each paper. However, they shall not enter the Hall until they are requested to do so by the Supervisor.

2. No candidate shall be admitted to the Examination Hall for any reason whatsoever after the expiry of half-an-hour (30 minutes) from the commencement of the examination. bring his Record Book on any occasion, he/she shall sign a declaration in respect of the paper for which he/she had not produced the Record Book in the form provided for it and produce the Record Book to the Registrar on the following day. If a candidate loses his/her Record Book in the course of the Examination he/she shall obtain a duplicate Record Book/Identity Card from the Registrar, for production at the Examination Hall.

25. The Supervisor/Invigilator is empowered to require any candidate to make a statement in writing on any matter which may have arisen during the course of the examination and such statement shall be signed by the candidate. No candidate shall refuse to make such statement or to sign it.

(a) He/she is permitted by the Senate for a valid reason to withdraw from such examination on ground(s) acceptable to the Senate within the specified period or

(b) He/she submits a medical certificate prior to the commencement of the examination. The medial certificate

shall be from the University Medical Officer. If this is not possible, the medical certificate should be obtained from a Government Medical Practitioner and submitted to the University Medical Officer at the earliest possible time, but in any case, not later than one week from the first day of the examination.

27. When a candidate is unable to present him/herself for any part or section of an examination, he/she shall notify or cause to be notified this fact to the Registrar immediately. This should be confirmed in writing with supporting documents within 48 hours by registered post.

UNIVERSITY POLICY AGAINST SEXUAL HARASSMENT

This Policy provides for the prevention of sexual harassment, and a complaints mechanism for persons affected by sexual harassment. It applies to persons and places that come under the aegis of the University of Colombo.

1. General Principles

The University of Colombo is committed to maintaining a learning environment and workplace that are free of sexual harassment to all persons, irrespective of gender. Based on the fundamental values of human dignity, gender equality and respect for due process, this policy seeks to spell what sexual harassment means, prevent the occurrence of sexual harassment within the University of Colombo, and provide suitable procedures for inquiring into, and punishing acts of sexual harassment.

In Sri Lanka, sexual harassment is a criminal offence under Section 345 of the Penal Code and is criminalized in the context of Higher Education under Section 2(2) of the Prohibition on Ragging and All Forms of Violence in Education Institutions Act No 20 of 1998. Furthermore, the Constitution guarantees the right to equality and equal protection of the law including the prohibition of discrimination on the basis of sex (Article 12 (1) & (2)) and guarantees the freedom to engage in a lawful occupation (Article 14(1)(g)). Sri Lanka's international legal obligations under CEDAW (the Convention on the Elimination of All forms of Discrimination Against Women) and the ILO (International Labour Organization) Convention 111 titled 'Discrimination in Respect of Employment and Occupation' also require the prevention of sexual harassment in the workplace and the provision of remedies for victims of sexual harassment.

1.1 Objectives

(i) To promote a culture at the University of Colombo in which the dignity and equality of all persons are respected

(ii)To prevent the occurrence of sexual harassment through targeted, preventative interventions

(iii) To adopt a zero tolerance on acts of sexual harassment and mechanisms to provide for the resolution of complaints through mediation and/or disciplinary action

1.2. Definition of Sexual Harassment

Sexual Harassment refers to any act (physical, verbal, gestural, visual, tacit or written) that inflicts physical, mental or other harm or annoyance based on another person's gender and/or sexuality. Such acts constitute sexual harassment, which applies when all members of the university community (see 1.4 for persons governed under this policy) engage in any of the above acts. (For examples see Acts Subject to Disciplinary Action – Section 2).

1.3. General Conduct

All persons who are governed by this Policy are required to follow accepted ethical standards in their conduct and are required to refrain from committing acts of sexual harassment, abstain from promoting sexual harassment or encouraging it, desist from concealing acts of sexual harassment, contribute to efforts undertaken by the University to prevent sexual harassment, and promote a culture of respect for all persons irrespective of gender.

Such persons shall, for example,

(i) Refrain from making reference to sexuality explicitly or implicitly a term or condition of an individual's employment or academic advancement, work benefits or activity;

(ii) Refrain from using the rejection, or non-acceptance of sexual advances by an individual, as a basis for employment or academic decisions affecting or concerning such an individual;

(iii) Refrain from conduct that has a negative impact, on the basis of rejection or non-acceptance of sexual advances, on an individual's work or academic performance, or creates, or solicits others to create an intimidating, hostile, or offensive working and academic environment;

(iv) Refrain from concealing formal or informal complaints of sexual harassment; and
(v) Refrain from using ICT for acts of sexual harassment

1.4. Persons and Places governed by this Policy

(ii) All acts carried out under the aegis of the authority of the University are governed by this Policy whether within or outside the University premises.

(iii) Requests for sexual favours
(iv) Sexualised requests or demands for favours accompanied by explicit or implicit promised rewards or threatened punishment
(v) Sexual assault or threatened sexual assault
(vi) False allegations of any of the above

2.2. Acts of Intimidation Connected with Complaints

Acts of harassment (Ex. slander, intimidation, discrimination, victimization, threats, indirect harassment) against any person who has complained of conduct covered by this Policy, or who is a witness, or who assists in the investigation of such a complaint shall constitute conduct subject to disciplinary action by the Council of the University.

3. Complaints of Sexual Harassment and Procedures

3.1. The Mechanism

The Council of the University of Colombo shall appoint a committee to conduct a preliminary investigation to gather prima facie evidence, and thereafter inquire into complaints of sexual harassment that will, following its inquiry, recommend in appropriate cases disciplinary action to the Vice Chancellor. This committee shall be known as the Committee of Inquiry on Sexual Harassment (CISH). The committee shall comprise ten members, and have gender parity, reflect the diversity of the university community and have at least three external members. All its members should have a proven track record of working on issues of gender equality and equity and be trained to investigate and inquire into cases of sexual harassment. The CISH will also have the authority to appoint mediators in consultation with the Vice Chancellor and the parties concerned, towards an informal resolution process where necessary.

3.2. Who May Complain

All persons governed by this policy (See 1.4. (i)) shall complain, as well as a visitor to the University and/or a third party who has a personal or professional link to the alleged victim or who has witnessed the alleged harassment (Ex. family member, member of the academic staff, student counsellor).

3.3. The Form of the Complaint and Procedures

(i) A person governed by this Policy may seek resolution through a written or oral complaint to the Vice Chancellor, and/or the Chair of the CISH, and/or the Faculty Grievance Committee. In the case of the complaint of sexual harassment being made to the Vice Chancellor or

the Faculty Grievance Committee the latter shall forward it to the Chair of CISH for a preliminary investigation and thereafter where necessary an inquiry.

(ii) Any complaint should be made in writing and signed, or if the complaint is oral, the oral complaint shall be recorded in writing by the authority receiving the complaint (Ex. Rector, Director of Institute, Dean, Head of Department, Student Counsellor, Coordinator of Programs) and signed by the complainant.

(iii) A complainant may seek resolution through mediation and/or formal procedure.

(iv) Such procedures do not in any way prevent the complainant from, at any point, seeking redress under any law that may apply.

3.3.1. Mediation

(i) A complainant may opt for mediation to bring closure to the matter /and or prevent its recurrence. Use of the mediation process in no way precludes the complainant from using the formal adjudicative procedure.

(ii) By this mediation procedure, the complainant formally requests ameliorative action on the part of the accused by a written communication.

(iii) In consultation with the Vice Chancellor, the CISH shall appoint two mediators, acceptable to all parties to the complaint, consisting of one internal and one external member, who should also represent the genders of the parties to the complaint. An observer (non-legal) who represents the interests of each of the parties to the complaint, and a representative of CISH may be present at the mediation proceedings. The CISH has the responsibility to ensure that the mediation process is carried out in a collegial and non-threatening environment.

(iv) If the mediation procedure is concluded to the satisfaction of both parties the matter is reported to the Vice Chancellor and closed.

(v) Confidentiality should be maintained regarding all complaints. Interview recordings if any, communications, documentations, and reports shall be divulged only to authorized persons.

3.3.2. Formal Procedure

(i) The formal procedure shall be initiated by a party to a complaint through a written communication to the CISH through the Vice Chancellor and/or the Faculty Grievance Committee in the following instances:

(a) Where the mediation process fails (either during its process or at its conclusion) to satisfy either party

(b) Where either party chooses to adjudicate the complaint through the formal process

(ii) Where the Vice Chancellor initiates a formal process at his/her discretion and refers the complaint to the CISH for the same.

(iii) The CISH should complete its preliminary investigation and, if prima farcie evidence is found, its inquiry and submit its report and recommendations to the Vice Chancellor within two months of receiving the complaint. The Vice Chancellor shall thereafter, make his or her recommendations on the report and forward it to the Council of the University for necessary action.

(iv) Members of the CISH who serve on the preliminary investigation should not serve on the subsequent inquiry

(v) If the CISH finds that a malicious false complaint has been made, it shall be reported to the Vice Chancellor who shall consider the matter and refer this to the Council of the University for necessary action. However, inability to prove a complaint of sexual harassment should not be designated a false complaint.

(v) The sexual history and/or sexual orientation of the complainant shall be deemed irrelevant to a complaint of sexual harassment at any one given time.

(vi) When any complaint is being considered for resolution, the parties to the complaint shall not be permitted to continue with, or undertake any activity, that can intimidate or unduly influence the complainant to withdraw the complaint or discontinue the process in any way. During this time, the parties shall, in general, be required to maintain minimum contact.

(vii) Nothing in this Policy shall prevent the Vice Chancellor initiating a formal disciplinary procedure in respect of conduct that comes within the scope of this Policy and constitutes grave misconduct for the purpose of disciplinary action under the University Establishment Code.
(viii) Any findings or conclusions arrived at through the procedure do not preclude the application of any law that may apply.

4.Prevention of Sexual Harassment

(i) This Policy shall be accessible to the entire university community and made available in Sinhala, Tamil, English and Braille, and be published in student handbooks, the university calendar and the university website.
(ii) A clause on this Policy and General Code of Conduct should be included in all staff contracts and letters of appointment.

(v) Any constitution of Student Associations of the University shall include a reference to this Policy and to the Prohibition on Ragging and All Forms of Violence in Education Institutions Act.
(vi) All service contracts entered into by the University with providers of outsourced services shall include a provision which states the obligation of any party entering into such contract to adhere to this Policy.
(vii) The University shall provide a trained counselling service to address prevention and consequences of sexual harassment. This service shall also be made available to any of the parties to a complaint made under this Policy.

The Department was established in 2022 under the title of 'Communication and Creative Arts' with the government notification of 'The Gazette of the Democratic Socialist Republic of Sri Lanka extraordinary No. 2310/06 - Monday, December 12, 2022. The Department of Communication and Creative Arts provides students with the opportunity to study in the discipline Communication and Creative Arts.

The Department caters to over 1100 undergraduates of the Faculty of Arts and the Faculty of Education. The Department of Communication and Creative Arts previously known as the Journalism Unit was first established in February 1991, by the Council of the University of Colombo to function under the authority of the Dean / Faculty of Arts. In May 1992, first-Degree level programme in Journalism in the University of Colombo was inaugurated in collaboration with the Asia Foundation. In 2006, the academic scope of the Journalism Unit was broadened in order to meet the current requirements, and the entire curriculum was fully revised to provide a wider spectrum of the discipline. New course modules were introduced and the area of study was renamed as Communication and Media Studies. The Communication and Media Studies courses were introduced to first year students from the year 2006. In 2015, under the Faculty Study Stream programme, the Department (then Journalism Unit) introduced a new study stream programme titled 'Communication and Creative Arts'. Concurrently with the establishment of the new department, Department of Communication and Creative Arts, in 2022, the Honours Degree programme titled Honours Degree in Communication and Creative Arts was introduced comprising 33 course units which covers essential domains of the discipline Communication, Media Studies and Creative Arts.

The Department of Communication and Creative Arts is the latest department of the Faculty of Arts. The newly established department is the first and the foremost department in a Sri Lankan university which offers an honours degree in Communication Studies with a Creative Arts focus. The establishment of the Department of Communication and Creative Arts is a significant historic landmark in the Faculty of Arts and in the University of Colombo. This new department: Department of Communication and Creative Arts, fulfills the long overdue and felt need of widening the academic scope of the Faculty. From its inception as an academic unit, after lapse of over three decades the endeavour of establishment of the new department and the introduction of the new Honours Degree programme came into reality under the guidance and leadership of Senior Professor Samantha Herath.

The significance of the study of Communication as a discipline is that it integrates both social sciences and humanities. The uniqueness and the novelty of this degree programme is the inter disciplinarity that blends the nexus between social sciences and humanities. The programme is also developed to meet the societal need to study Communication in the contemporary context due its timely relevance and the enormous impact on the society. The Creative Arts industries have been developing rapidly by providing new forms of entertainment to the people and the new programme is introduced considering these contemporary developments.

DEPARTMENT OF DEMOGRAPHY

The Department of Demography began its activities in 1997 as a result of an upgrading of the Demographic Training and Research Unit (DTRU), which was established within the Faculty of Arts, with the assistance of the United Nations Fund for Population Activities - UNFPA in 1973 (currently United Nations Population Fund). The Department of Demography is a multi-disciplinary department which carries out demographic research and training at both undergraduate and graduate levels. Since its founding, the Department has been seen as a leader in the field of demography as demonstrated by its high levels of scholarly productivity and rigorous teaching programmes. Over the years, the Department has contributed immensely to the production of knowledge, refinement of policies and generation of solutions to development issues in Sri Lanka.

The Department of Demography of the University of Colombo can be regarded as a centre of excellence for teaching and research on population and related disciplines and their implications for development. It is an important institution in Sri Lanka for the training of population scientists and the generation of high- quality research in population and related disciplines in order to provide explanations in resolving development challenges in Sri Lanka and beyond. The Department provides both a four-year (Honours) degree programme and a three-year (General) degree programme. At present, the Department is staffed with two Professors, four Senior Lecturers and five Probationary Lecturers.

Student Support

The Department of English offers support for students of the Department whose writing and language skills need improvement. Students can register for Writing Support Sessions during which a lecturer will address specific aspects of the student's writing. The students will also have opportunity to participate in additional support sessions which are specially designed to support their academic work.

The Department also has an "early warning" system for students whose grades are weak and for students who are thought to be underperforming.

The Resource Centre

The Department of English's Resource Centre, located in Room 116 of the Faculty of Arts, houses a sizable collection of books and other resource material useful to students of English. Students taking English as a subject can obtain membership and borrow up to two books for a period of two weeks. This is also a quiet study space for the Department's students.

Links with Foreign Universities

Since 2006, the Department of English has led the way at the Faculty of Arts on overseas student exchange programmes. Currently it has two exchange

programmes under which each year, up to 4-8 students of the Department of English travel to Germany for a semester's study abroad at either Justus Liebig University, Giessen, or Technische Universität Dresden. Students from these two German universities too follow a semester of study at the Department of English. These exchange programmes offer students of both countries the opportunity to travel overseas, take new courses and build friendships with each other.

Student Activities

Students of the Department of English participate in a variety of activities which take place year around. DramSoc (the Drama Society) and the Debating Society are the two main organizations that the Department's students are part of but they are also active in other student societies of the Faculty. Additionally, they organize reading groups, poetry clubs, participate in choir activities and other such recreational activities through the Department.

Digital Humanities Laboratory (DHLab)

Launched in 2019, the Department's Digital Humanities Laboratory (DHLab) is the first of its kind established in a Department of English in Sri Lanka. This is a Digital Humanities-English Studies research laboratory that provides opportunities for researchers and students of the department to explore digital content of both language and literature. The DHLab hosts multiple English language corpora, Gratiaen Prize winning literary works and open-access resources that can be accessed for educational and research purposes. In addition, the DHLab offers opportunities for students and researchers to publish their research findings online.

Undergraduate Courses

The Department of Geography offers a wide range of course units for the four- year **Honours Degree in Geography** and for the three-year **General Degree in Arts.**

For first year undergraduates who wish to follow the Honours Degree in Geography or the three-year General Degree in Arts, should undertake **GYG 1102/1202 (Cartography) and GYG 1106 (Principles of Geography)**. It is mandatory to select FND **1106 (Intermediate Mathematics)** if the student wishes to follow the Honours Degree in Geography.

Honours Degree in Geography

The Honours Degree Programme in Geography focuses on Physical Geography and Human Geography along with the practical application of Geoinformatics technologies. The programme explores crucial contemporary issues, including earth surface processes, climate change, natural hazards, landscape changes, population growth, urbanization, sustainable development, and human-nature interaction. The components of Geoinformatics technologies of this programme can also be incorporated to provide a solid foundation in the subject, and students can adapt the honours degree programme to their career aspirations through their subject selections. There are plenty of career opportunities in both the government and private sectors for graduates of our honours degree programme.

General Degree in Arts (Three-year)

The General Degree in Arts aims to produce highly skilled environmentalists with a strong intellectual background in Physical Geography, Human Geography and Geo-environmental techniques.

Both our Honours Degree in Geography and General Degree in Arts undergraduates gain intellectual abilities and skills through classroom and the lab- based learning. Additionally, both programmes include several field excursions in a range of exciting locations with hands-on training. Along with this, we facilitate our students in numerous ways to enhance soft skills such as presentation, communication, teamwork, problem-solving, etc. Subjects offered by the Department of Geography for both the Honours Degree in Geography and General Degree in Arts are available in all three **Sinhala, Tamil, and English** mediums.

Note: GYG 1102 / 1202 and GYG 1106 are compulsory for those who wish to follow the Honours Degree in Geography or the General Degree in Arts.

Internship programme

The Department of Geography offers one semester internship opportunities to the Honours Degree in Geography students in the second semester of their (4th) final year. The internship training programme collaborates with both public and private sectors, such as the Disaster Management Centre (DMC), Central Environment Authority, Mahaweli Authority, National Building Research Organization (NBRO), International Water Management Institute (IWMI), Irrigation department, Survey department, etc. The ultimate goal of the student internship programme is to give professional learning experience with an emphasis on the application of their academic background. The differences between the academic environment and the work environment can be a shock to many students just beginning a professional career as an intern. The internship allows our students to experience and adapt to these differences while learning to make professional connections and develop relationships with various government bodies, companies, and organizations based on their own developing areas of expertise in order to enhance their future career.

Resources and Facilities

Libraries and Resource Centre

The Geography Library (donated by NUFFIC Netherlands Universities Fund for International Cooperation) has a collection of thousands of books, journals, thesis, dissertations and periodicals in the field of physical geography and human geography. Geography students are entitled to use the library on weekdays from 8.30 a.m. to 4.00 p.m. The Geography Library is overseen by the Library Assistant, R.S. Withana.

Laboratories

The Department of Geography has well-equipped laboratories such as the GIS Lab, the Soil Laboratory (donated by NUFFIC Netherlands Universities Fund for International Cooperation), and the Cartography Laboratory. T.M.M.B Thennakoon, is the Technical Support Officer for these laboratories.

Automated Weather Station

The Department of Geography has its own Automated Weather Station within the faculty premises. The ERASMUS+ project "University Network for Disaster Risk Reduction and Management in the Indian Ocean Rim/UN4DRR" provided funding for the establishment of the Automated Weather Station in 2022. It is outfitted with cutting-edge technology for measuring, recording, and collecting weather elements such as temperature, precipitation, solar radiation, and wind speed and direction. This amenity caters to our undergraduate and postgraduate students, and many of them use meteorological data for their research purposes.

Special Programmes

- **History & Community Project**

Since 2009 the Department of History has run the 'History and Community Project' with undergraduates from the University of Colombo and University of Jaffna. The project is facilitated by GIZ-Sri Lanka and its objective is to introduce students to the History of Sri Lanka through multiple narratives and interpretations. This project also brings together Sinhalese and Tamil students (and those from other ethnic backgrounds) to expose them to different ways of thinking about history and to give them the opportunity to share their different views and ideas about the discipline. All students specializing in History are expected to participate in this Departmental project which takes place in three stages, at Colombo/Jaffna, and two other historical sites. The Department is in the process of introducing this project into a credit-earning course.

Internship Programme

The Department provides the opportunity for the final year undergraduates to broaden their perspective on career opportunities and to transform their academic skills for societal well-being and vice versa. Students get the opportunity to enroll in the Department of National Archives, Colombo National Museum, and a number of national and research organizations for a three months period. The internship programme has been converted into a compulsory 3 credit course for the 4th year undergraduates in the first semester.

Resources and Facilities

The Department does not have a separate library for itself but has access to a library that combines three Departments - History, Political Science & Public Policy and International Relations. This Library consists of a variety of books ranging from subject-related books to fiction. Library room number is 222.

Student Association

- **History Society**

The History Society provides a broad ground for students to carry out extra activities - not strictly subject-oriented or focused on history but many other activities such as seminar series, drama festivals, field trips, and film weeks etc.

DEPARTMENT OF INFORMATION TECHNOLOGY

The Department of Information Technology serves the entire undergraduate population of the faculty to acquire IT related skills which are essential in achieving knowledge and skills in their respective fields of study. Recently, the functions of the Mathematics Unit were amalgamated into the IT department. In addition to Foundation course units, it offers ICT subjects for students who wish to complete a 3-year general degree. At present, the department consists of permanent teaching and few temporary/visiting staff members. Following the upgrading to a department, it is expected to strengthen the department's human resource base in future. In addition to the staff attached to the department, some course units are offered with the support of academics attached to the other departments of the Faculty of Arts.

Admissions test for new entrants

Usually, the Department of Information Technology conducts admission tests and all new entrants are required to sit for the test. Students who pass the above exam in obtaining 60% or above are exempted from the foundation courses, FND 1125 and FND 1221 in their first year. Following the IT foundation courses (FND 1125 or FND 1221) are compulsory for those who did not sit or were non exempted from the admission test. They must complete either FND 1125 in the first semester or FND 1221) in the second semester (not both) since it is a requirement to obtain the degree.

ICT as a subject to 3-year General Degree Programme

- Students could follow ICT as a subject for the General Degree, 2nd or 3rd subject if students follow a special degree, or as a subject if they follow B.Ed degree.

****Note – Students who wish to register for course units, ICT 1101 and ICT 1203 should not register for FND 1125 or FND 1221. Also, these two FND course units <u>should not be</u> counted to fulfil the requirement of FND course units that should be followed by the first year students.**

** Note - Students should complete both **<u>ICT 1101 and ICT 1203 in the first year as credit subjects</u>** to obtain ICT as a subject**.**

DEPARTMENT OF INTERNATIONAL RELATIONS

The Department of International Relations was established as a separate Department in 2010. Prior to that, the staff and the discipline was nurtured initially in the Department of Modern History. Subsequently, it became part of the Department of History and Political Science, which bifurcated in 1999. The Department was then called the Department of History and International Relations, until it too bifurcated in 2010. During this time period, the number of courses that taught International Relations expanded from one to the introduction of the first ever honours degree in International Relations in Sri Lanka in 1999.

The Department of International Relations is thus the pioneer in the introduction of International Relations (IR) to the university system within Sri Lanka. The initial introduction of IR modules within the Faculty of Arts, University of Colombo began within the Department of Modern History. Three eminent scholars – Professor Shelton U. Kodikara (first Sri Lankan to obtain a Doctorate in IR), Professor Emeritus Amal Jayawardane (first Sri Lankan to obtain a Doctorate in Area Studies within IR), and Professor George Cooray (the first Sri Lankan to obtain an MPhil in IR) – spearheaded the introduction of IR to undergraduate students from the 1970s. Over the years, the teaching of IR course modules increased whilst housed within the then Department of History and Political Science at the Faculty of Arts.

The Department of International Relations is the first to introduce a Master of Arts in International Relations (MAIR). The MAIR, introduced in 1985, was the result of a collaboration with the American University, USA. The establishment of the MAIR, which celebrated its 40th anniversary in 2025, highlights the importance placed by the academic staff to introduce this discipline to Sri Lanka.

Under the leadership of Senior Professor Nayani Melegoda, the Department of International Relations was established on the 29th of

July 2010. It was the first Department of its kind in the whole university system in Sri Lanka. Currently, the Department offers a four-year International Relations Honours Degree and a three-year General Degree for undergraduates. Since 2010, five Heads have led the Department; Senior Professor Nayani Melegoda (2010-2012; 2013-2016), Professor Emeritus Amal Jayawardena (2012), Professor Maneesha S. Wanasinghe-Pasqual (2016-2022), Associate Professor Chaminda Padmakumara (2022 to 2025), and Dr. Pavithra Jayawardena (since 2025).

Currently, there are six permanent and two probationary academic staff members attached to the Department. The academic qualifications among these eight are exceptional: 5 Doctorates (from UK, USA, New Zealand, India) and 6 Masters. The permanent staff are qualified in teaching, having obtained both the CTHE and SEDA (UK) accreditation.

For 2025, the Department has launched a panel discussion series titled “Revisiting Sri Lanka’s Foreign Policy” to provide a platform for students to engage with practitioners and academics on foreign policy issues. During the 2025-2026 academic year, the Department hosted 7 foreign policy lectures and 10 guest lectures on contemporary international relations, sharing expert

knowledge with students and faculty. To broaden outreach and disseminate knowledge, the Department of International Relations maintains an active presence on social media platforms.

On July 29, 2025, the Department of International Relations celebrated two significant milestones: its 15th anniversary and the 40th anniversary of the Master of Arts in International Relations (MAIR). In honor of these occasions, the Department launched a book titled “Reflections on International Relations” comprising 19 scholarly articles.

The International Conference on International Relations (INCOIRe), organized by the Department, brings together local and international scholars from around the world. Held annually, it offers a key platform for publishing and sharing academic work. Covering a diverse range of cross-disciplinary topics, the conference highlights the importance of international relations in today's world.

Student Engagement

Undergraduates in the Department of International Relations have ample opportunities to participate in events, workshops, and other activities that enhance their skills. Undergraduates of the department are given the opportunity to intern in related governmental or non-governmental institutions in order to enhance their practical and professional skills, which will help them build capacity and confidence.

Through collaborative initiatives with a diverse group of institutions, embassies, and organizations, the Department of International Relations has been able to develop the professional competencies of the students. The department, in collaboration with Asia Pacific Alliance for Disaster Management (A-PAD) Sri Lanka, organized training workshops, art exhibitions & panel discussions on Disaster Management & Sustainable Development. This was a valuable opportunity for undergraduates to enhance their knowledge on

disaster management. Additionally, IR students actively participated in the Japan International Cooperation Agency (JICA) Chair program from 2023-2025, where students got exposure to alternative models of development through a series of academic & practical sessions. This initiative persisted into 2026, with continued participation from students in the department.

The Department also organizes various activities where students explore & apply what they learn inside the class, to real-world scenarios. Undergraduates are exposed to various community outreach trainings, field excursions, learner-centered approaches, and blended learning. Workshops such as Employability Enhancement, CV Writing, and First-Aid Training are also provided to the undergraduates for transferable skills enrichment and personal development which cater to the university education and career prospects.

The International Relations Student Society will also be available for Honours students, which will aim at fostering leadership, networking, and extracurricular engagement in international relations.

DEPARTMENT OF SINHALA

The history of teaching Sinhala in higher education in Sri Lanka is closely linked with the University of Colombo. Formal university education in Pali, Sanskrit, and Sinhala began with the establishment of the Ceylon University College in 1921 at College House. In the University College, the oriental languages were all confined to one department of study. It was only in 1944 that a separate Department of Sinhala was established under the University of Ceylon in Colombo.

Currently, Sinhala is one of the most popular subjects among undergraduates, and the Department offers a wide range of course units for General Degree and Honours degree programmes in Sinhala Language, Literature, Arts, and Culture. The Department also offers one-year taught MA, MPhil, and PhD programmes in Sinhala for postgraduate students. Additionally, the Department provides a Diploma in Sinhala and conducts a programme on Sinhala Language & Culture for visiting foreign students.

The Department of Sinhala has a well-qualified staff, including a Senior Professor (Chair), two Professors, one Associate Professor, seven Senior Lecturers, one Lecturer, and five Temporary Assistant Lecturers, each specializing in their respective fields of study.

DEPARTMENT OF SOCIOLOGY

The University of Colombo initiated the teaching of Sociology in 1969 by introducing a three-year degree programme in Sociology with the establishment of the Department of Sociology and Social Welfare under the Faculty of Social Sciences. In the year 2019, the Department of Sociology celebrated 50 years of excellence. Currently, the Department offers Sociology as a subject for undergraduates at two different levels: a four-year Honours Degree in Sociology and a three-year General Degree. The Department implements a stream in Social Work within the four-year Honours Degree programme. Approximately 500 students enroll annually to follow the undergraduate programme at the Department of Sociology. The Department aims to provide undergraduates with a broad understanding of theoretical /conceptual aspects of Sociology, Psychology and Anthropology as well as adequate exposure to the diverse practical applications of this disciplinary knowledge. The Department has well-qualified staff specializing in different areas of **Sociology, Anthropology, Psychology and Social Work**. The Department's programme is designed to prepare undergraduates to face the challenges of contemporary society with suitable skills and confidence. In addition, the Department offers postgraduate programmes including Master's, MPhil and PhD degrees in Sociology.

The Field Training Programme

The Department organizes a Field Training Programme every year for the third- year students in the Sociology Honours degree programme to ensure that they are well-versed in research skills. With funding from the University, the programme is organized for 2-3 consecutive days in a selected area in Sri Lanka. Each year one coordinator and a team of staff are appointed to organize the programme. The team would visit the area beforehand and obtain the necessary permissions from the local government authorities to have the Field Training Programme. Students are trained in both quantitative and qualitative data gathering in the field and are required to produce a report that is assessed as part of their dissertation writing programme.

Resources and Facilities

Library

Students have access to the Department Library which comprises over six thousand books in various fields in Sociology, Psychology, Anthropology and Social Work.

Auditorium

The Department Auditorium has a seating capacity for hundred (100) persons and is an ideal place for special lectures, workshops and events.

Computer lab

The Department has developed a fully equipped computer laboratory under the AHEAD Development Project. This is available for both staff and the students of both undergraduate and postgraduate degree programmes of the Department.

The Exercise Laboratory

The Exercise Laboratory, operating within the Department of Sociology, is designed to meet the practical needs of the SOC 2119 and SOC 2215 Sport and Physical Activity courses. Its primary aim is to provide hands-on experience to Faculty of Arts undergraduate students, fostering an understanding of lifestyle-related risk factors and the role of sport and exercise in preventing chronic diseases. The exercise laboratory serves as a platform to increase awareness among students about the significance of physical activity in promoting a healthy lifestyle and mitigating potential health risks.

MATHEMATICS UNIT

Over a decade ago, the Mathematics Unit (MU) at the Faculty of Arts was created as a support unit to help, encourage, and enlarge the knowledge of Mathematics. Usually, many in Social Sciences have had limited exposure to Mathematics. The MU helps social science students with learning Mathematics. The demand for Mathematics varies across modules in the Faculty of Arts. The Mathematics Unit endeavours to bridge the knowledge demand gap of Mathematics, and embrace mathematical skills as a second nature. The Mathematics Unit currently focuses on two goals:

- Creating a student-centred learning environment for Mathematics
- Making learning an exciting adventure to encourage interest in Mathematics

What is offered by the Mathematics Unit:

The Mathematics Unit offers two foundation courses in Mathematics in the 1st Year:

Basic Mathematics – ECN/GYG/DMG - 1107: It provides basic mathematical foundations and essential tools for those seeking mathematical skills for general applications, and for those students who need support to prepare themselves with basic knowledge and skills necessary to follow more advanced course Unit in the 2nd Semester

Intermediate Mathematics - ECN/GYG/DMG – 1106 & ECN/GYG/DMG - 1206: Offered in both Semesters, this Course Unit offers more advanced mathematical concepts, techniques and their applications, particularly required in following honours degree programmes in the disciplines of Demography, Economics or Geography.

Intermediate Mathematics is a Credit course unit, offered in both Semesters in the 1st Year. Its successful completion is a pre-requisite

for admission to honours degree programmes in Demography, Economics or Geography at the end of the 1st Year. Those students who demonstrate possessing adequate basic mathematical skills (at the Placement Test, described later in this document) can directly follow Intermediate Mathematics course unit either in their first or second Semester.

Basic Mathematics is a "Non-Credit optional" course unit. However, for those students who do not demonstrate adequate basic mathematical skills (at the "Placement Test", described later in this document), and intending to seek admission to honours degree programmes in Demography, Economics or Geography, successful completion of Basic Mathematics in the 1st Semester is a compulsory requirement to follow, in the Second Semester, the Intermediate Mathematics course unit, which is a pre-requisite for admission to those three honours degree programmes.

Undergraduate Courses

Semester	Unit Code	Name of the Course Unit	Supplementary Information	No. of Credits	Medium of Instruction	Offered for Honours Degree	Offered for Study Stream Degree
Semester One	**First Year**						
	ECN/GYG/DMG - 1106	Intermediate Mathematics	Optional	3	EM/SM, TM		
	ECN/GYG/DMG - 1107	Basic Mathematics	Optional (But compulsory for those intending to follow Intermediate Mathematics, while having been unsuccessful in demonstrating adequate basic mathematical skills at the Placement Test)	-	EM/SM, TM		
Semester One	**First Year**						
	ECN/ GYG/DM G - 1206	Intermediate Mathematics	Optional	3	EM/SM, TM		

Placement Test in Mathematics

The Mathematics Unit offers a Placement Test in the beginning of the Semester - I of the first academic year to evaluate your basic mathematical knowledge and skills. This Placement Test will help both you, as well as the Faculty, to "gauge" your entry level capabilities in Mathematics at GCE (O/L) standard. Those who demonstrate having adequate level of mathematical skills through their performance at this Placement Test will be allowed to directly register to follow the Intermediate Mathematics course unit, either in the 1st Semester or in the 2nd Semester, as per their choice.

For the benefit of those who have had limited prior exposure to

Mathematics or had below-par learning experiences in mathematical applications, as may be reflected from the outcome of the Placement Test, we offer the non-Credit foundation course unit titled Basic Mathematics. The Basic Mathematics course prepares you to learn all the necessary mathematical skills to take the much harder, Intermediate Mathematics course unit. Therefore, the Faculty has decided to offer the Intermediate Mathematics course unit in both Semesters in the 1st Year, enabling those who require further assistance to acquire fundamental mathematical skills to follow the non-Credit course unit in Basic Mathematics in the 1st Semester prior to will be a compulsory requirement prior to registering for Intermediate mathematics course unit in their 2nd Semester

The MU also has taken the initiative to help refresh your basic mathematical knowledge by offering an online "refresher programme". This will be conducted before the "Placement Test", and we recommend that you benefit from this opportunity to get yourself better prepared to face the Placement Test.

As parting advice, the MU invites each of you to try out Mathematics modules for learning, fun, and as a skill that helps you immensely in whatever professional paths you decide. Understanding Mathematics and its relevance adds value to your professionalism and personality.

CONFUCIUS INSTITUTE

The Confucius Institute of the University of Colombo (CIUC) was established upon the cooperation agreement signed on 16th September 2014 and commenced its formal operations with an inauguration ceremony on 30th December 2016. Two partner universities in China; the Beijing Foreign Studies University and the Honghe University. CIUC offers Chinese Language General Degree and credit and non-credit courses for undergraduate students of the University of Colombo (UOC).

Further, the Institute offers Chinese language certificate courses for the staff of the University of Colombo, vocational courses for Sri Lanka Police and weekend courses to external students. The Institute has established five Chinese Language Teaching Spots in different locations such as at the University of Peradeniya, University of Ruhuna, Buddhist and Pali University, Horana Vidyarathana Pirivena and Hambantota District Chamber of Commerce. Apart from teaching the Chinese language, Confucius Institute offers evaluation programmes through conducting HSK /HSKK examinations (Chinese National Standardized Proficiency Certificate).

While contributing immensely in promoting Chinese language and Chinese culture, CIUC also serves as a platform and bridge to facilitate cultural exchanges and educational and research cooperation between China and Sri Lanka. The CIUC conducts workshops, cultural weeks and other interactive experiential activities in various forms.

Undergraduate Courses

The Language Unit currently offers three foreign language courses — French, Hindi, and Japanese — for Bachelor of Arts and Bachelor of Arts (Hons) degree students who wish to acquire proficiency in a foreign language. These courses are designed to provide an elementary foundation in the four key language skills: reading, writing, listening, and speaking. These skills are further developed through a range of interactive and participatory activities, including role-plays, discussions, and audio-visual exercises, while students simultaneously gain insight into the cultures of the respective countries. The topics covered thus provide a meaningful context in which participants develop both their linguistic and cultural competence. These courses are particularly well-suited for students aspiring to pursue careers in international relations, tourism, journalism, law, non-governmental organisations, and international business.

In addition to the foreign language offerings, the Unit provides a Spoken Tamil course, aimed at enhancing oral communication skills in Tamil, one of the official languages of Sri Lanka.

All language courses offered by the Unit are optional and carry a total of three credits each; however, these credits are not counted towards the GPA. All these courses are open to second-year students of the Faculty of Arts.

APPENDIX A:
RAGGING

Prohibition of Ragging and Other Forms of Violence in Educational Institutions Act No. 20 of 1998 has been ratified by Parliament. The broad meaning of this act assumes to totally abolish ragging and other forms of verbal violence such as insults and cruel acts.

This law makes ragging a distinct and punishable offence. Any act which causes or is likely to cause physical or psychological injury, fear or mental pain in an undergraduate or a member of staff is called ragging. Whilst this act has defined 'undergraduate' institutions, it includes all universities under the 1978 Universities Act.

Punishments described under this Act include:

1. After the individual is found guilty, the punishment for ragging within or outside of the university premises is two years' rigorous imprisonment.
2. In addition, the court can award compensation to the victim.
3. Where ragging leads to sexual harassment or grievous hurt, the punishment is increased to ten years' imprisonment and an award of compensation. The latter offence is generally non-bailable.
4. The punishment for anyone who acts with the intention or threatens to cause injury to the person, reputation or property of any student or threatens to cause injury to a person known to the student is rigorous imprisonment for no more than five years.
5. Acts of criminal intimidation, wrongful restraint and unlawful confinement committed by any person against any student carry a maximum imprisonment period of seven years.
6. Anyone forcefully confining an individual would face the same punishment.
7. If any person forcibly occupies any premises of an educational institution, that person is guilty of an offence. Such person could be imprisoned for no less than ten years and no more than twenty years of imprisonment. In accordance with the Act, a fine can also be imposed.
8. In addition, the court can, depending on the gravity of the offence, order the expulsion of a student from an educational

institution if that person is found guilty of any of the offences contained in the Act.

9. If anyone is charged or is under suspicion of sexual harassment or grievous injuries due to ragging as stated in Section 2(2) or, if it leads to confinement or restraint of another's freedom of movement, as noted in Section 4, this is a non-bailable offence.
10. Other than the punishment codes within this act, those of 1994 No. 22 on harassment, extreme and torture or insults add to this. It is clear from the above acts that students found guilty of ragging and other forms of violations face harsh punishment under the law. Even bail is often set within specific limits. The sole intention is to rid ragging from the university system.

    Other than the above-mentioned laws, it is possible to punish those who rag or violate another's rights using certain laws that exist within the higher education system.

If any incidents of ragging take place, contact

1. Officials within the educational institute
2. The nearest Police Station. This will assist the Police to take action under Act No. 20 of 1998.

APPENDIX B:
FREQUENTLY ASKED QUESTIONS ABOUT THE COURSE UNIT SYSTEM

1. **Can students who are exempted from the compulsory English Foundation CUs (FNDE) still select the same CUs?**

No

2. **Would it be possible to select English as a subject if the student has not offered English at the GCE A/L?**

The answer is "yes", but only students who are exempted from the compulsory English Foundation CUs are eligible to make this request. Such students also have to sit for a competency test conducted by the Department of English before being admitted to the English subject stream. Students are advised to contact the Department of English for details.

3. **Would it be possible to select a course unit that the student has not offered in the GCE A/L?**

The answer is also "yes". Such students could offer a course unit such as Economics, Geography and Demography if such departments are in a position to offer supplementary classes. Students with no prior background in the subject area can attend these classes in addition to the usual three-hour sessions per week allocated in the master timetable. Students are requested to contact the lecturer concerned and/or the Head of the Department for details.

4. **Can a student withdraw a CU(s) after sitting the end-of-semester examination of that particular CU(s)?**

Once a student has sat for the final end-of-semester examination, he/she has completed the whole process of evaluation assigned for the CU(s) in question. Therefore, it is not possible to withdraw a CU(s) and substitute it with another after the student has sat for the final end-of-semester examination.

5. **Can a student select CUs ahead of time? Can he/she select CUs from a future academic year?**

Students can only select CUs offered during the current academic year, as well as any incomplete/repeat CUs (if any) from a previous year.

6. **Can non-credit or audited CU(s) with better grades be exchanged for credit course(s) with poor grades?**

No. Non-credit and credit CUs are two different categories, and students are required to maintain this distinction throughout the degree programme.

7. **Can students request to repeat end-of-semester examinations?**

The Faculty does not entertain requests for repeat end-of-semester examinations. At the end of a semester, final end-of-semester examinations are held only for course units offered during that semester. Therefore, if a student misses a final end-of-semester examination, he/she has to wait until the relevant course unit(s) is offered again. However final year students may get a chance to sit for a repeat exam on request, if the failed course unit is not offered in the subsequent semester.

8. **Can students sit for the end-of-semester examination without completing continuous evaluations assigned for the unit(s)?**

No. According to the By-Laws, it is mandatory to complete at least 50% of all continuous evaluation assigned for the unit(s) for the student to be eligible to sit for the end-of-semester examination. For example, in cases where there are two assessments assigned for a particular CU, students are required to complete at least one of the assessments to make them eligible to sit for the end-of-semester examination of the CU in question. Those who sit for the end-of-semester examination without completing the minimum required number of assessments, (whether inadvertently or purposely) will be considered repeat candidates. Students are strongly advised that it is not possible even to make requests to complete continuous evaluations after completing the end-of-semester examination without prior arrangements with the Department concerned.

அடிக்கடி கேட்கப்படும் கேள்விகள்

1. கட்டாய ஆங்கிலக் கற்கை அலகுகளிலிருந்து (FNDE) விலக்களிக்கப்பட்ட மாணவர்கள் மீண்டும் கட்டாய ஆங்கில அடிப்படைக் கற்கை அலகுகளைத் தெரிவு செய்ய முடியுமா?

இல்லை

2. மாணவர் ஒருவர் க.பொ.த உயர்தரத்தில் ஆங்கிலப் பாடத்தை எடுத்திருக்கவில்லை என்றால் அம்மாணவர் ஆங்கில பாடத்தைத் தெரிவு செய்வதற்கு வாய்ப்புகளேதும் உண்டா?

ஆம். ஆனால் ஆங்கிலத் தகுதிகாண் பரீட்சையின் பின் FNDE கற்கை நெறிகளிலிருந்து விலக்களிக்கப்பட்ட மாணவர்களே இவ்விண்ணப்பத்திற்குத் தகுதியானவர்கள். அவ்வாறான மாணவர்களும் ஆங்கிலப் பாடநெறிக்கு அனுமதிக்கப்படுவதற்கு முன்னர் ஆங்கிலத் துறையால் நடாத்தப்படும் திறன்காண் பரீட்சைக்குத் தோற்ற வேண்டும். இது தொடர்பான மேலதிக விவரங்களுக்கு ஆங்கிலத்துறையைத் தொடர்புகொள்ளுமாறு மாணவர்கள் அறிவுறுத்தப்படுகின்றனர்.

3. மாணவர் ஒருவர் க.பொ.த உயர்தரத்தில் தெரிவு செய்திருக்காத பாடத்தைத் தெரிவு செய்வதற்கு வாய்ப்புகள் உண்டா?

ஆம். தெரிவுசெய்ய முடியும். அவ்வாறான மாணவர்கள் பொருளியல், புவியியல், குடித்தொகையியல் முதலான பாடங்களைக் குறித்த துறைகள் மேலதிக வகுப்புகளை வழங்கும் நிலையில் இருந்தால் தெரிவு செய்யலாம். இப் பாடங்களை முன்னர் கற்றிராத மாணவர்கள் பிரதான நேர அட்டவணையில் ஒதுக்கப்பட்டுள்ள நாளொன்றுக்கு 03 மணிநேரம் என்ற வழமையான வகுப்புகளுக்கு மேலதிகமாக இவ் வகுப்புகளுக்குச் செல்லலாம். மேலதிக விவரங்களுக்கு இது தொடர்பான விரிவுரையாளர் அல்லது துறைத் தலைவரைத் தொடர்புகொள்ளுமாறு மாணவர்கள் அறிவுறுத்தப்படுகின்றனர்.

4. மாணவர் ஒருவர் ஒரு கற்கை அலகுக்கு இறுதி அரையாண்டு பரீட்சைக்குத் தோற்றியதன் பின்னர் அவர் அக் குறித்த கற்கை அலகைக் கைவிடலாமா?

மாணவர் ஒருவர் இறுதி அரையாண்டுப் பரீட்சையை எழுதிவிட்டார் என்றால் அவர் வினாவில் கற்கை அலகுக்காக ஒதுக்கப்பட்ட முழு மதிப்பீட்டுச் செயன்முறையையும் நிறைவு செய்துவிட்டார் என்று பொருள். ஆகையால் மாணவர் ஒருவர் ஒரு கற்கை அலகின் இறுதி அரையாண்டுப் பரீட்சைக்குத் தோற்றியதன் பின்னர் அக்கற்கை அலகினைக் கைவிடுவதற்கோ அதற்குப் பதிலாக வேறொரு பாடத்தைக் கற்பதற்கோ வாய்ப்புகள் இல்லை.

5. மாணவர் ஒருவர் கற்கைநெறி அலகுகளை அதற்குரிய காலத்துக்கு முன்னரே தெரிவு செய்யலாமா? மேலும் அவர் வருங்கால கல்வியாண்டிலிருந்து கற்கைநெறி அலகுகளைத் தெரிவு செய்யலாமா?

நடப்புக் கல்வியாண்டிற்குரிய கற்கைநெறி அலகுகளையும் முன்னைய ஆண்டில் பூர்த்தி செய்யாத கற்கைநெறி அலகுகளையும் (ஏதும் இருந்தால்) தெரிவு செய்ய முடியும்.

6. நல்ல பெறுபேறுகளுள்ள மதிப்பெண்ணற்ற அல்லது உத்தியோகப்பற்றற்ற முறையில் கலந்துகொண்ட கற்கைநெறி அலகுகளுக்குப் பதிலாக நல்ல பெறுபேறுகளுள்ள மதிப்பெண்ணற்ற அல்லது தணிக்கை செய்யப்பட்ட கற்கைநெறி அலகுகளை மாற்றிக்கொள்ள முடியுமா?

7. மாணவர்கள் அரையாண்டு இறுதிப் பரீட்சைகளுக்கு மீளத் தோற்றுவதற்கு விண்ணப்பிக்க முடியுமா?

கலைப்பீடமானது அரையாண்டிறுதிப் பரீட்சைகளுக்குத் மீளத் தோற்றுவதற்கான விண்ணப்பங்களை ஏற்றுக் கொள்வதில்லை. இறுதி அரையாண்டிறுதிப் பரீட்சைகள் குறித்த அரையாண்டில் தொடர்ந்த கற்கை அலகுகளுக்காகவே மட்டும் முதல் அரையாண்டின் இறுதியில் நடாத்தப்படுகின்றன. ஆகவே மாணவர் ஒருவர் இறுதி அரையாண்டிறுதிப் பரீட்சைக்குத் தோற்றத் தவறின், குறித்த அந்தக் கற்கைநெறி அலகிற்கான பரீட்சை மீண்டும் வழங்கப்படும் வரை அவர் காத்திருக்க வேண்டும். எனினும் தோல்வியடைந்த கற்கைநெறி அலகுகள் அடுத்து வரும் அரையாண்டிறுதிப் பரீட்சையில் வழங்கப்படாதிருப்பின், இறுதியாண்டு மாணவர்கள் வேண்டுகோள் விடுக்கும் சந்தர்ப்பத்தில் மீள்பரீட்சைகள் வழங்கப்படலாம்.
